WILDCAT

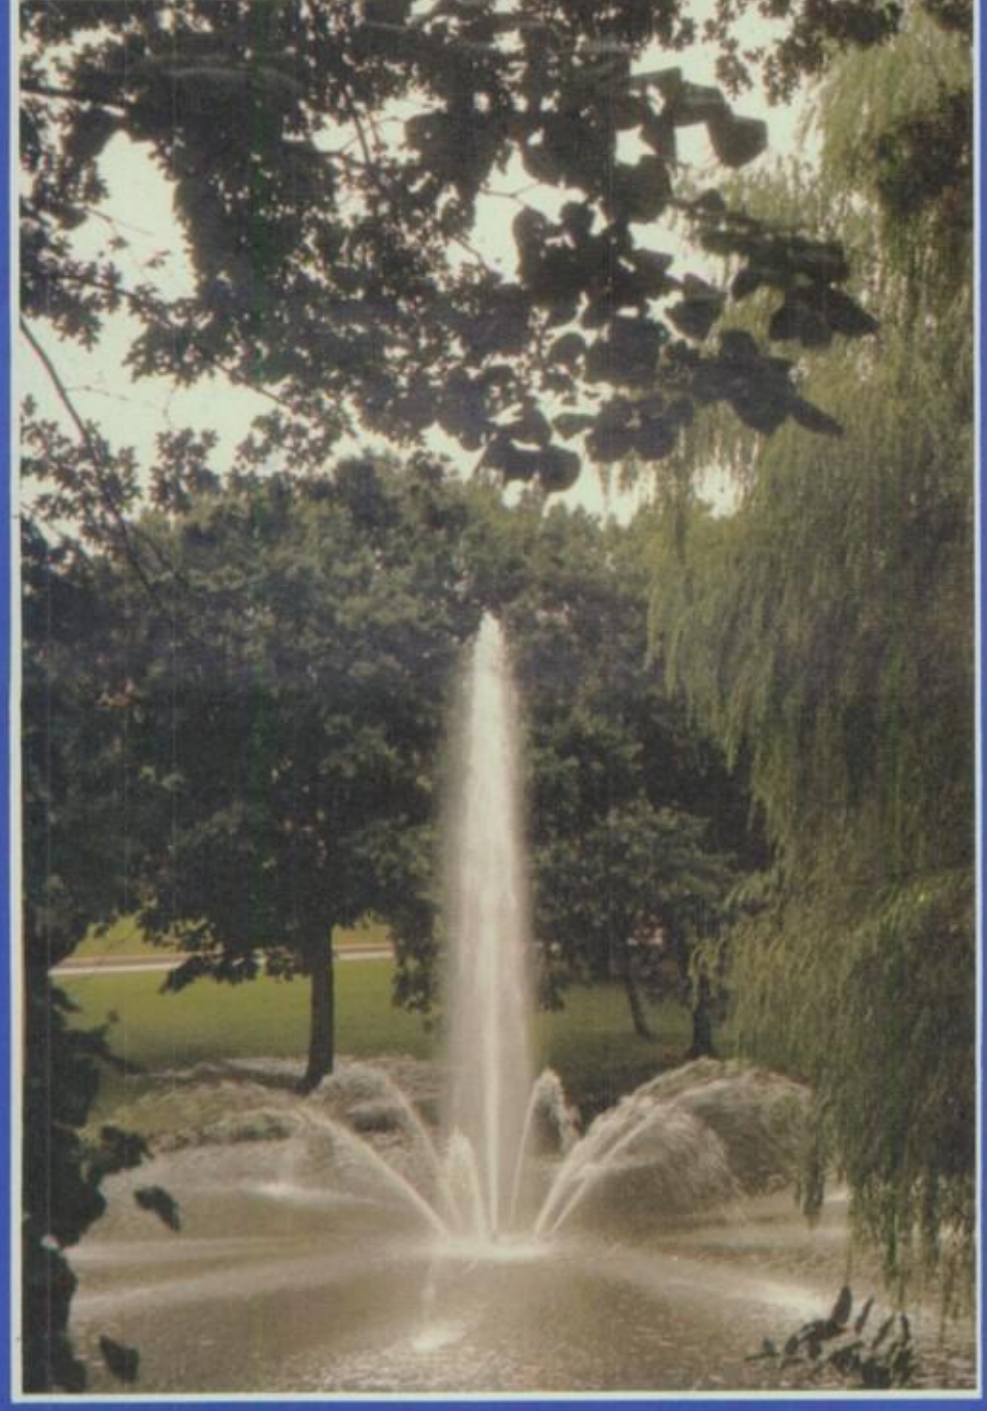
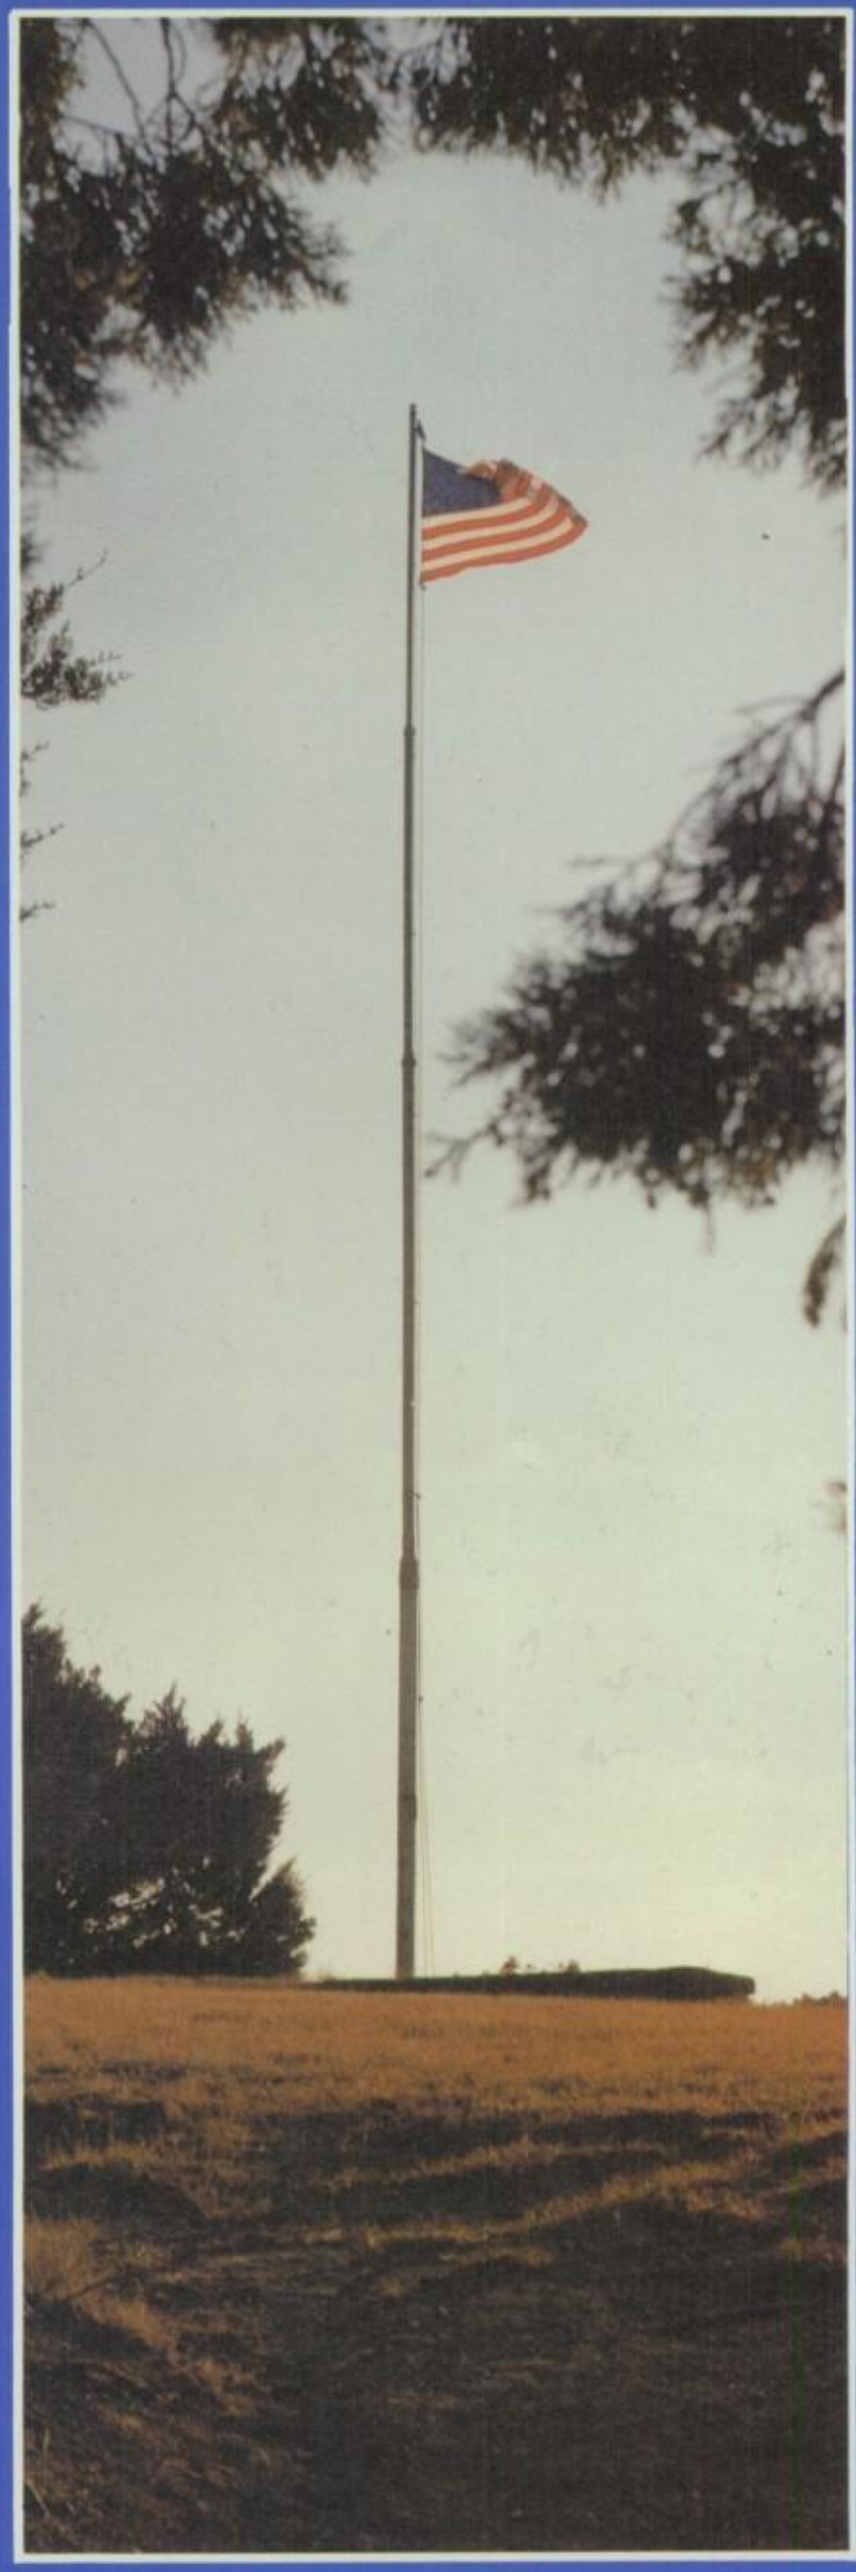
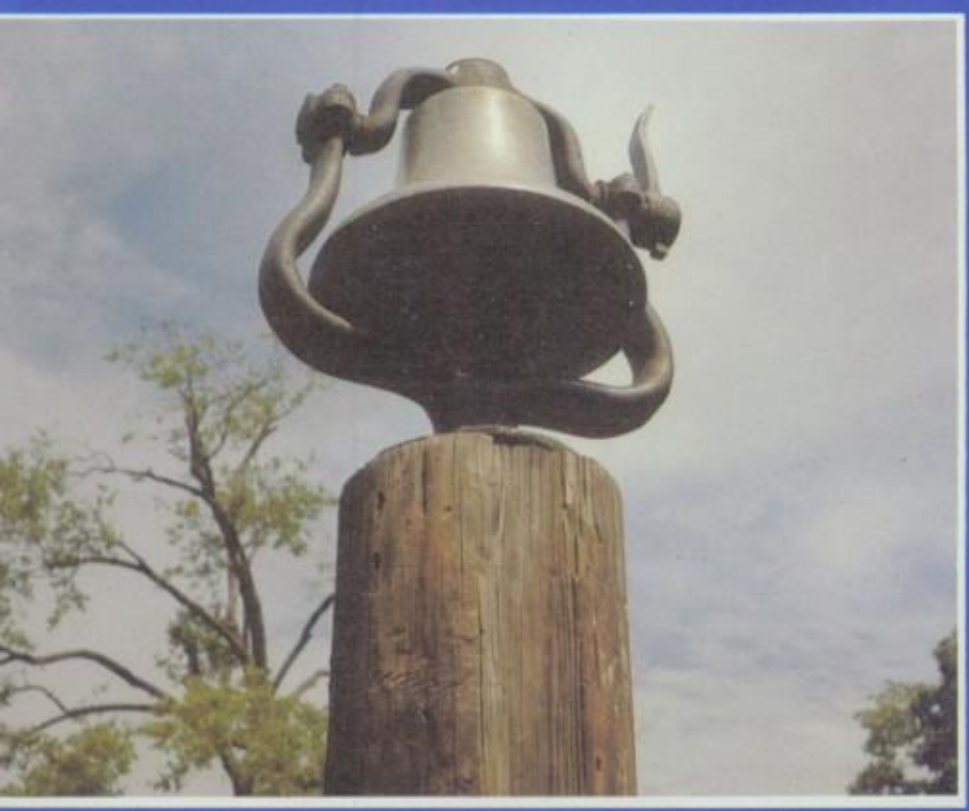
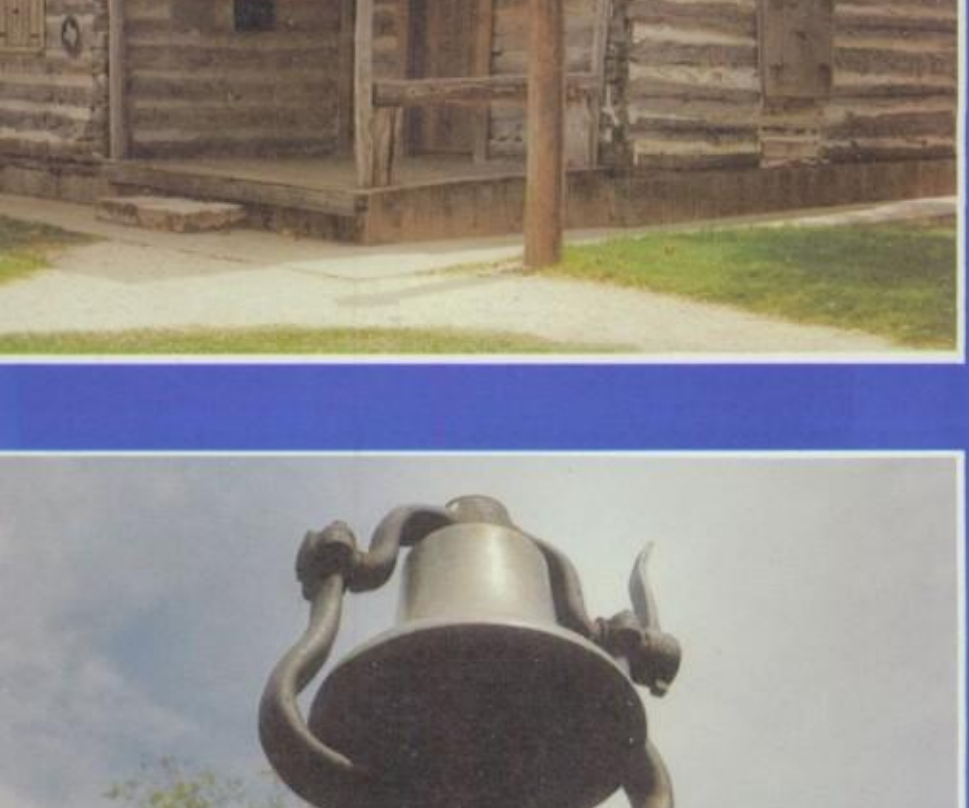
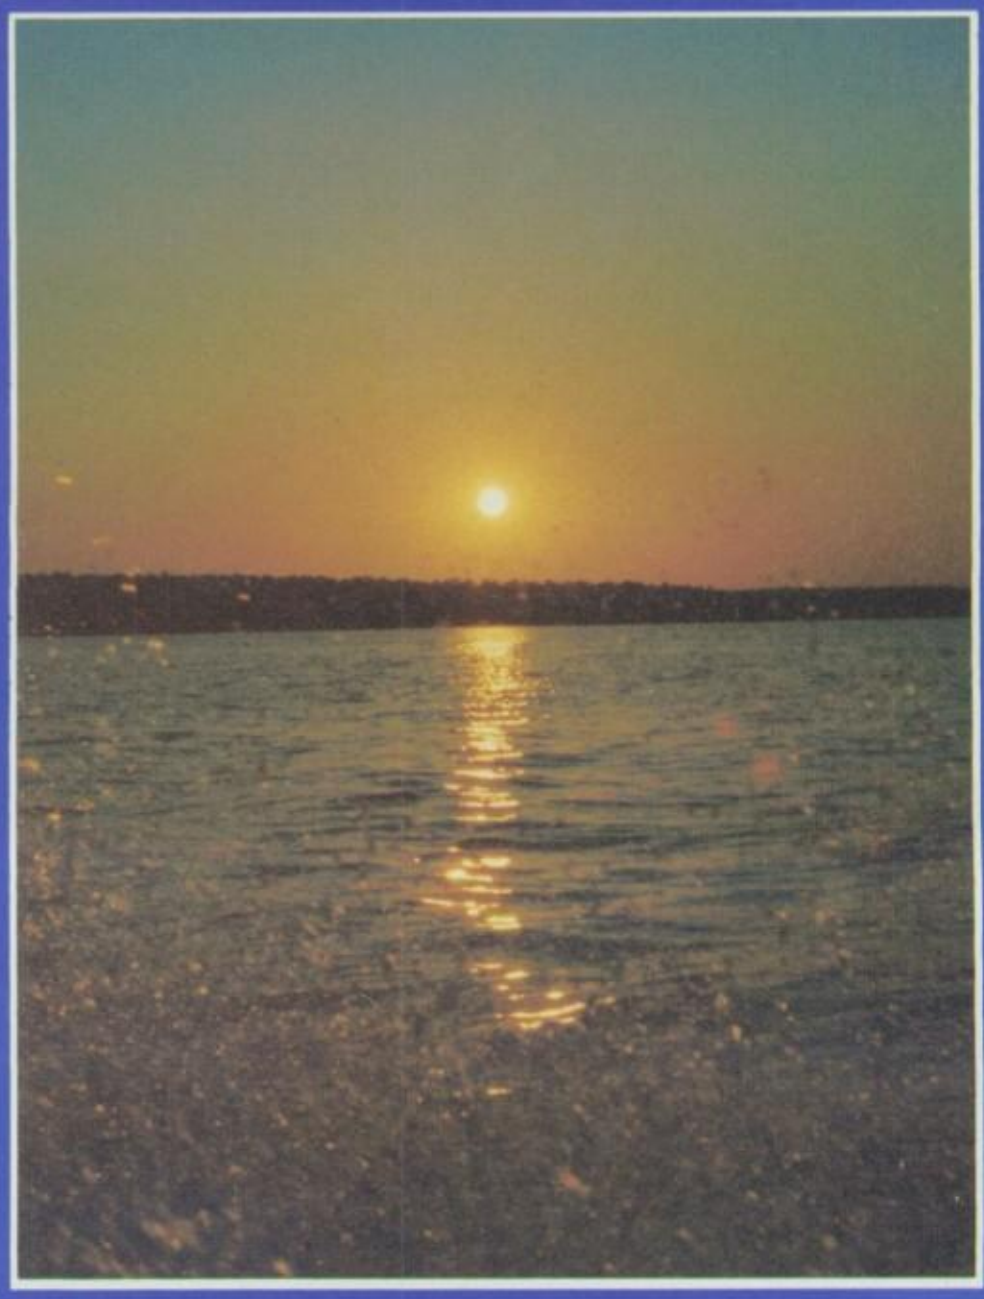
"That this nation, under God
shall have a new birth
of freedom; and that government
of the people
by the people, for the people,
shall not perish from the earth."
Abraham Lincoln

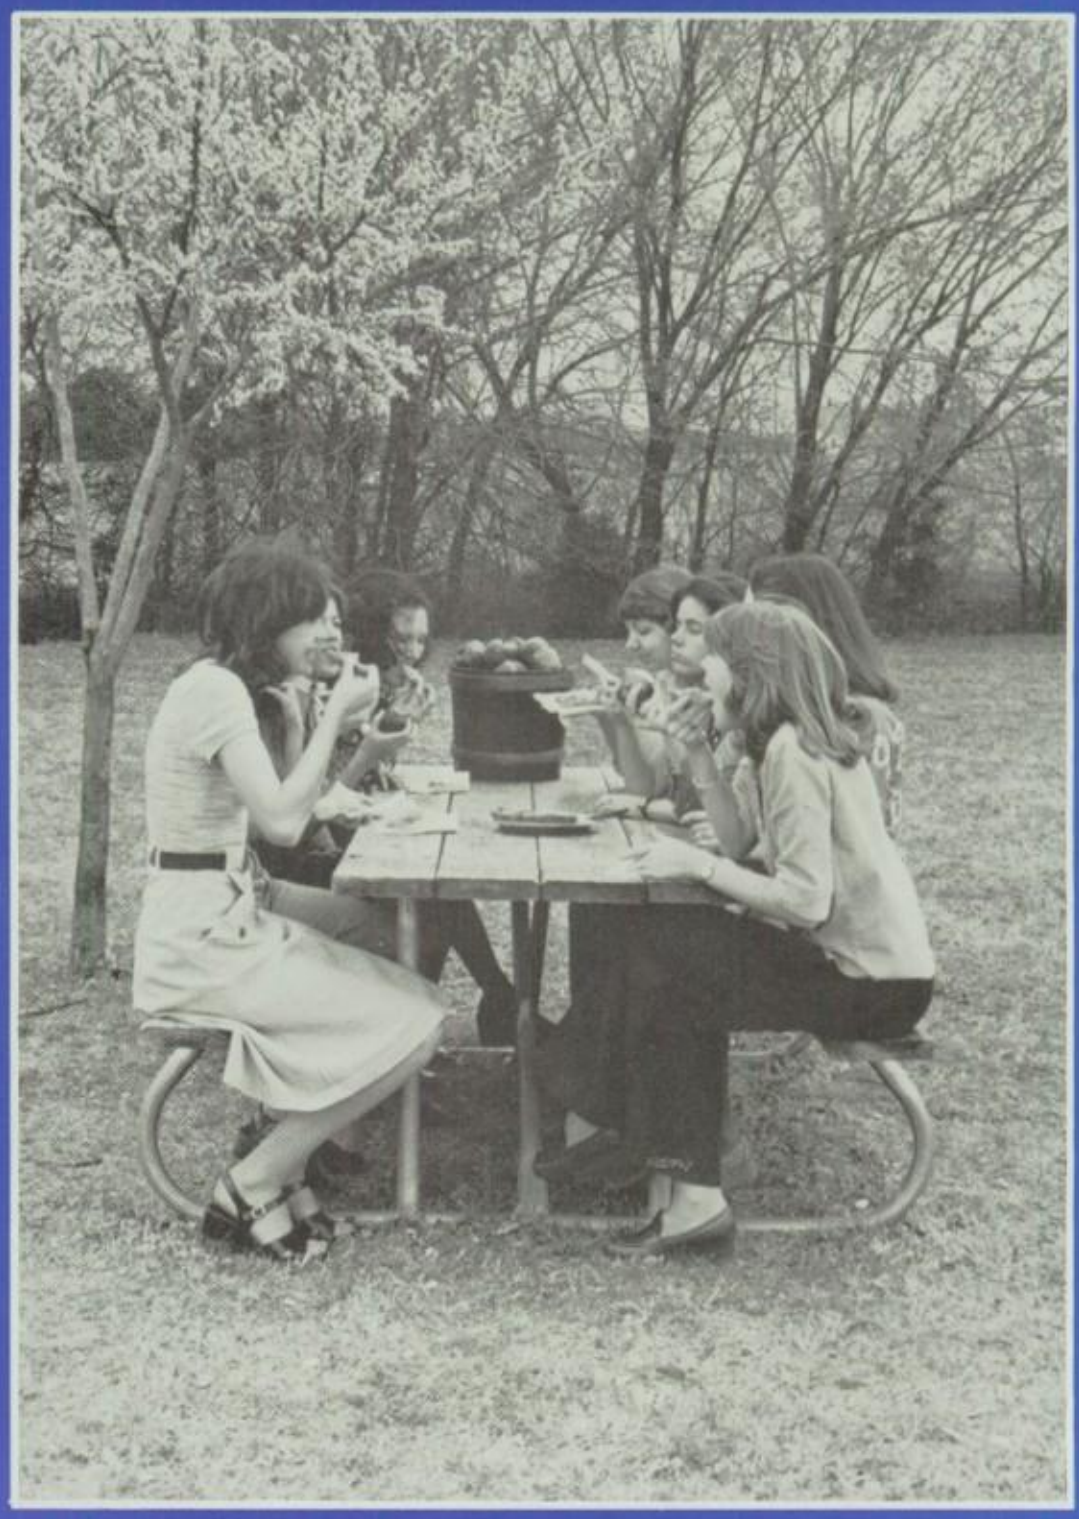


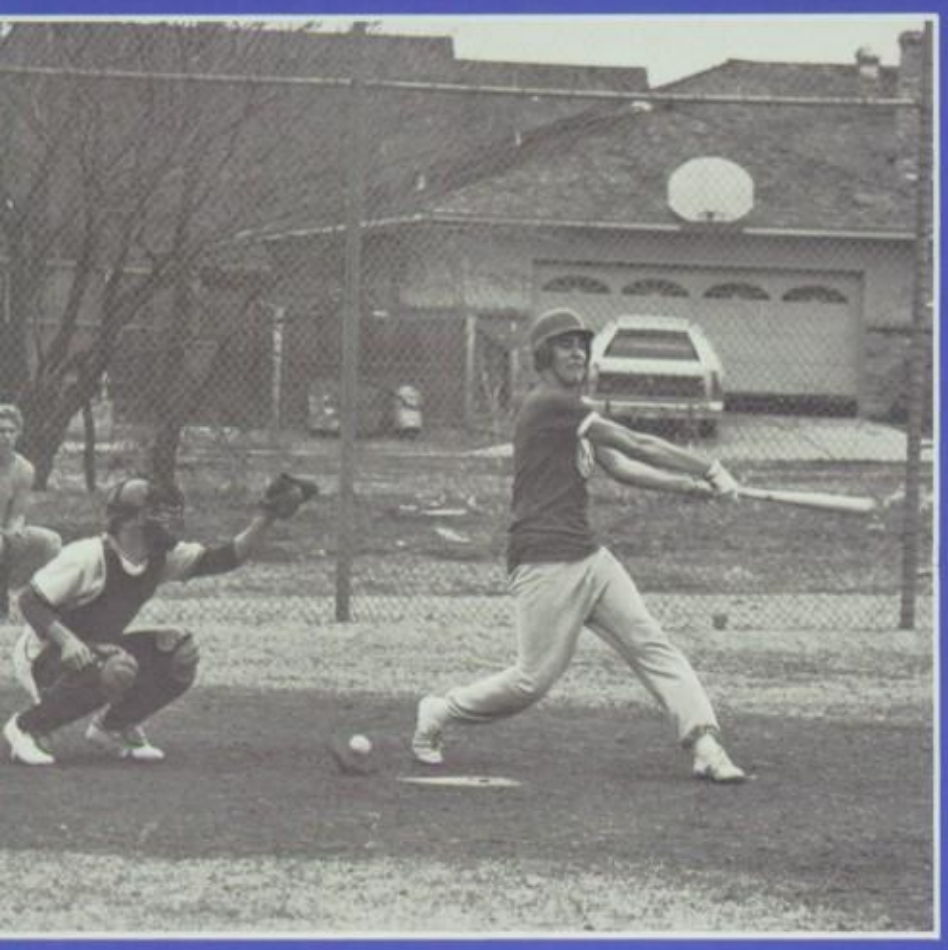












Those who dared to stand alone, reflected the true meaning of pride. Many suffered personal anguish to develop the educational systems of today.

Others lost their lives to gain independence so that a free nation might evolve.

A steadfast democracy grants freedom of speech, thought and action. After 200 years each American can hold his head high.

Now is a time to be proud — of our country.

"The free school is the promoter of that intelligence which is to preserve us a free nation."

Progress and survival of the United States depends on the education of the people.

Institutions teach factual knowledge, positive attitudes and offer individuals immeasurable opportunities.

The American educational system provides the incentive to grow and excel individually and together for the good of all.

Now is a time to be proud — of our schools.

"It is necessary for the happiness of a man that he be mentally faithful to himself."

Thomas Paine

Through the free enterprise system each American inherits the freedom to be himself.

The ability to create his own environment and opportunities to seek knowledge in a rapidly changing world enables each man to express his individuality.

The key to remaining a free nation depends solely upon the inner strength and determination of all Americans.

Now is a time to be proud — of ourselves.

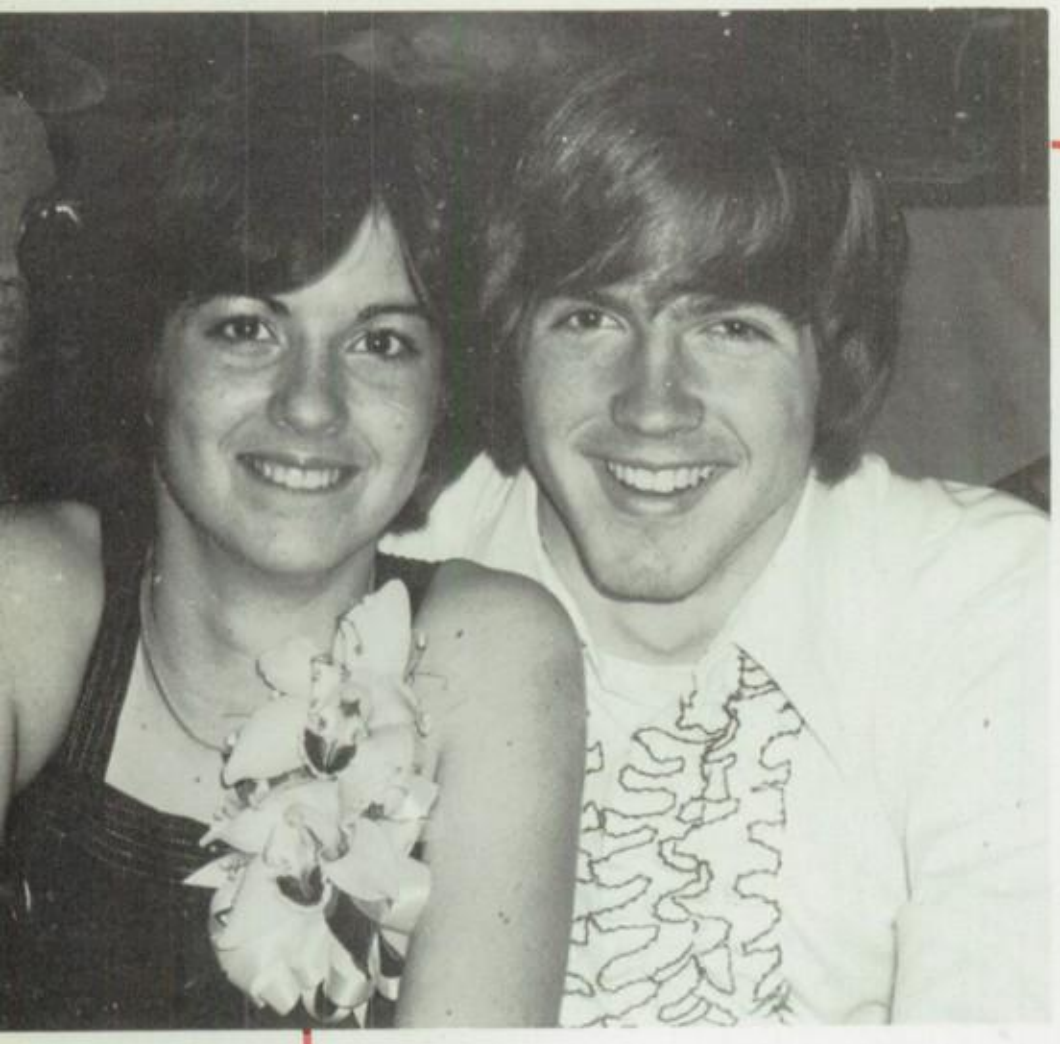
ENTERTAINMENT



There was no excuse for any student to sit idle during the 1975-76 school year with a social calendar booked with activities.

Activities began even before school with Sophomore Orientation and the yearbook signing party. Soon after classes were underway, pep rallies and football games commenced.

The Yuletide season yielded door decorating competition, annual Christmas banquets for clubs and festive holiday dances. Christmas parties were planned and carried out by each fourth period class on the eve of a well deserved winter break.

February came slowly but brought with it Valentine's Day, valograms and an elegant Favorite's Ball. This leap year month was bounced out with an exciting, fast-moving Key Club vs. Faculty Basketball Game.

Spring was ushered in with the delivery of National Honor Society red carnations and the arrival of the third and final quarter. After the Drill Team-Cheerleader presentation of Spring Show, the bizarre AFS Olympics and the bicentennial country fair, students sensed the coming crescendo of annual senior activities.

Besides winding up school work, seniors were involved in activities such as Senior Show, Prom, Baccalaureate, Graduation and finally All-Night Party.

Every attempted activity proved to be a success that highlighted this bicentennial school year.

"America, Past, Present and Future," Lake Highlands Bicentennial commemoration, was hosted Tuesday, March 30, 1976. The program contained many exhibits exemplifying the American Culture. Mr. Dennis Guill and Miss Nell Jennings were program directors.

Commemorating the contribution and achievements of Negroes throughout America's 200 year history, the Lake Highlands High School student body supported "Black History Week," February 9-13. Though this had been a long time in coming, students realized that black students have a culture and history rarely written in textbooks or taught in classrooms.

The week began with an assembly featuring Bishop College scholar and speaker, Dr. Melvin J. Banks on February 9. He spoke to the students and faculty about the Black man's struggle for freedom and equality, his inventions and advancements, and the African influences that have joined with other cultures to create our own American way of life.

The Bicentennial program itself consisted of 12 Bicentennial acts performed and narrated by students attending Lake Highlands High School, Lake Highlands Junior High, and Forest Meadows Junior High. The LHHS band and Orchestra provided the musical composition.

Lake Highlands was plagued by sales of pastries, calendars, popcorn, candy, shirts, wrapping paper and stationery in the clubs' attempts to raise desperately needed funds.

After the money was earned clubs soon put it to use by carrying out their goals. Some of which were a trip to Chicago, Illinois for the band; state conventions for the foreign language clubs; summer conferences in Colorado for FCA members and necessary equipment for the Drill team and Spirit team.

The club programs were necessary to involve students in school activities. The FANG, the school newspaper, informed students of these upcoming events. The events that had the greatest support were the Homecoming festivities, the musical production of "Bye Bye Birdie," Favorite's dance, Key Club vs. Faculty Basketball Game and the American Field Service Olympics.

Besides entertaining their members, the clubs also offered educational experiences. The clubs established in the work program were focused on providing its members with opportunities to explore vocational fields.

Without the undying devotion of sponsors and officers and the unending support of members, the clubs could not have been a success. The clubs added the needed extra-curricular activities to break the monotony of studies.

Slaves initiated into Latin Club

Widely active throughout the school year, the Latin Club took part in a culture day, area conventions, initiations, Saturnalia, and the famous Latin Club Banquet.

The initiation, which occurred during the fall, consisted of an unusual picnic in which second year members decorated first year members as a part of the welcoming ceremonies.

At Christmas, the annual Saturnalia Banquet was held at Il Sorrentos'. Violins, trickling water, and a cozy atmosphere made a perfect setting for the club's festivities. During the celebration a king and queen of Slaves was chosen.

The highlight of the year was the annual Roman Banquet in which first year members, or slaves, served food and waited on second year members, the masters. Eunice Flanigan was elected as goddess.

Officers of the Latin Club were Steve Conway, president; Donnie Smith, vice president; Susan Childers, secretary-treasurer; Susan Bolton, editor; and Bill Johnston, reporter.

Delicacies highlight French Club

Combining various French interests into one club was achieved by the '75-'76 French Club. Led by Cathy Bass, president; other officers were Gordon Coffee, vice president; Kathy Campana, secretary; and Linda Harvall, historian. The sponsor was Miss Fran Maples.

The year started with a homemade ice cream party in September, during which the members played bingo in French. Following in October, they had a bake sale to raise funds for the club.

In November, the club held a fondue party with assorted kinds of food, ending up with a scavenger hunt done in French. When the Christmas season came near, the members went caroling in area neighborhoods.

Senior Dorothy Bransford gave a presentation of France in January, to all members and told of her experiences while living there.

The club ended the year with their annual banquet at an elegant restaurant.

The German Club, sometimes called Deutcher Verein, celebrated the Bicentennial year with several parties and activities. Starting the year off with an exciting change of pace, club members were invited to attend a picnic at White Rock Lake Park. The club entered several contestants at the "Novemberfest" sponsored by the University of Texas at Arlington. During the celebration, students enjoyed soccer, art contests, songs accompanied by a piano, and genuine German food.

The German Club officers for 1975-76 were: Rick Roesler, president; Jack Brown, first vice president; Ken Kammarek, second vice president. Sewall Cutler, treasurer and Diane Overton, historian. The sponsor of Deutcher Verein was Mrs. Ruth Hewes.

Spanish Club treks to convention

Providing members with fun and learning experiences, the Spanish club completed a successful year under the direction of sponsor Mrs. Betty Montgomery. The year was highlighted by a trip to San Antonio, Texas, where students attended a state convention and attended Mexican handicraft workshops. In October, the club sponsored a Halloween Party at White Rock Lake. "Human bingo" and a scavenger hunt accented the December party which carried the Yuletide theme. The annual Spanish Club banquet was held during spring. Humorous awards were awarded to students who made meaningful contributions to the club.

The Club was headed by Casey Taylor, president; Kelli O'Neal, vice president; Christi Tapscott, secretary; Patty Walker, treasurer; Burford St. Clair, historian; Scott Schriefer, co-historian; Laura Kenny, local reporter; Trish Doye, PASF reporter.

As the largest club at Lake Highlands, the Girls Service League intermixed service with social activities. The yearlong goal of the club was to raise enough money to distribute two $500 collegiate scholarships.

Stressing the service aspect of the club, the members made baby blankets for Parkland Hospital, provided toilet articles for patients at Terrell Mental Hospital and supported a young Brazilan girl through the Children's Christian Fund. The club also supplied a Christmas dinner for a family in need, visited a nursing home and helped in the Bicentennial Celebration with three handmade flags.

Exhibiting their enthusiastic support, GSL decorated lockers for the B-team and Junior varsity football teams and wrestlers.

Larger than life cakes were baked for appreciative Varsity football and Swimming teams. Christmas stockings were delivered to the basketball players.

Social functions of the club included an annual autumn hayride at Sandy Lake Amusement Park, and climaxed with the Presentation Ball held at the Northpark Inn, in early April.

The '75-'76 officers were: Nancy Boyle, Stacey Brainin, Debbie Campbell, Tami Cannizzaro, Mary Katherine Lee, Alison Massey, Bettina Massey, Sid Megquier, Michelle McLaughlin, Patty McGuffey, Rhea Pyle, Amy Quick, Diane Stewart, Beth Sowell, Nancy Whitman, Karen Wilson, and Martha Wolfe.

Beautification of the courtyard was undertaken by the new officers.

The club treated 45 orphans to a hockey game and also helped North Park Inn with the Children Disability Association Convention.

Homecoming activities included a car bash and a dunking booth, while a strength tester displayed both muscles and a lack of them at the Student Senate Carnival. Mr. Anderson selected the club to represent Lake Highlands in the March of Dimes Walk-a-thon, held in February. February also brought the traditional Key Club vs. Faculty Basketball game in which the faculty proved to be victors. A baseball game which senior Key Clubbers were pitted against the Varsity team also promoted school spirit.

Senior De De Dillinger was chosen '75-'76 Sweetheart. For the third year in a row, the Key Club Sweetheart advanced to district finals in the competition.

The '75-'76 officers were Mark Kinney, president; Truett Webster, vice president; Robert Humphrey, secretary and Steve Golding, treasurer.

Honoring individuals who have displayed qualities of good character, leadership, citizenship and scholarship, the National Honor Society combined service projects and social events in the busy year of 1975-76.

The induction of new members, a solemn candle-light service held on the evening of November 3, began the year with the addition of five per cent of the junior class and ten per cent of the senior class to the society. Formal invitations to parents and teachers notified them of the ceremony which included a presentation by the choir, the swearing in of members, an address from Mr. Ed Zachary and refreshments afterwards.

The society's Christmas party at the Llove Entertainment Center coincided with the donation of toilet articles to Terrell State Hospital, but was unfortunately postponed until February. Red Carnations were sold in February and delivered to friends, teachers and sweethearts in March to traditionally commemorate the first day of Spring. The great response by LH students and teachers alike proved a big job that demanded hard work and superior organization.

The 1975-76 NHS officers were: Matt Westmoreland, president; Rick Roesler, vice president; Gay Gray, secretary; Jack Brown, treasurer; and Lou Ann Myer, reporter. Sponsors were Mrs. Betty Aday and Mrs. Jane Mitchell.

The quarter system for the '75-'76 school year renovated LH student government. The revision came in April of 1975 when the idea of a smaller government body elected by the individual classes and renamed, the Student Senate, was decided upon.

Before the school year had gotten fully underway, the student senate was busy with sophomore orientation and the election of class officers. September 26 saw the advent of a Lake Highlands first when the student senate sponsored a Victory party after the Garland game. The response was overwhelming due to the general acceptance that no date was needed.

"We may never pass this way again" was the '75 Homecoming theme. Traditional pregame activities were presented smoothly and beautifully, following a funfilled week of dress-up days, high spirits, and general red and white attitudes.

The girls gym was the scene of the Student Senate's Winter Carnival in January, which involved various school clubs and was initiated to raise money for the annual Favorites dance.

February 14 brought the traditional Favorites Ball with the beat of "Texas Rose." Two new categories, Most Congenial and Most Talented were added to the ballot and added to the overall excitement of the evening.

The '75-'76 officers of the Student Senate were Liles Arnold, president; Tim Brewton, vice president; Nancy Boyle, secretary; Marilyn Christensen, treasurer; and Gay Gray, representative. Miss Nell Jennings was the sponsor.

Vitality and enthusiasm depict the numerous tournament performances given throughout the year by members of the LHHS Speech Club. Representing the school in worthy style were Belinda Boston, Linda Englehardt, Leslie Green, Rebekah Green, Judd Haptonstall, Sally Krause, Elisa Maloff, Beverly Stewart, and Joy Ussery.

Beginning the '75-'76 season at the Highland Park High Tournament, the members established a winning pace led by senior Judd Haptonstall's third place finish in prose. Hillcrest and R. L. Turner hosted the following tournaments which gave LH talents additional chances to display well practiced skills.

The club's finale was the UIL speech tournament hosted by Lake Highlands. Ten schools participated to form possibly the best competition gathered all year.

LH Speech Club officers for 1975-76 were Linda Englehardt, president; Beverly Stewart, secretary-treasurer; and Miss Donna Matlock, sponsor.

As members of Lake Highlands Creative Reflections art club, students pursued various fields of art, sharing both in their talent and learning experiences. Sponsored by Miss Jo Dell Fields the club sought to study and participate in the arts and whatever opportunities they may have for aspiring young artists. Fall opened up opportunities in exploring various art works around the Dallas community. The club featured an annual trip to the Neiman Marcus Fortnight and visited area art showings. Christmas brought forth an ice skating party at the Richardson Ice Palace to celebrate the holidays.

With the coming of Spring the members participated in the Student Senate Carnival where the technique of spin art was presented. Other activities included a teachers workshop for faculty members interested in art, and participation in the school art show held each year.

Club leaders for the '75-'76 year were Ken Miles, president; Mark Knight, vice president; Melissa Mayo, secretary; and Joy Ussery, treasurer, with Miss Jo Dell Field as sponsor.

"All the world is a stage," the famous quote from William Shakespeare, provided the annual induction theme for new Red Masque members.

Dedicated to service as well as drama, Red Masque created a "Trail of Terror" to entertain and scare children at Halloween. Creek trails of Skyline Park was the setting.

Red Masque had an unparalleled season presenting major productions. Off to a smooth start was "The Miracle Worker," starring Melissa Karlan as Anne and Denise Runnel as Helen.

The Richardson PTA sponsored the second play, "Alice In Wonderland." Under the direction of Miss Donna Matlock, the play was presented to primary grades first, and later to LH students. Talented Linda Robinson portrayed Alice.

When the song of, "We love you Conrad oh yes we do . . .," filled the air in early February, the third play, "Bye Bye Birdie," was under construction. Aided by the fine arts department the show was presented three consecutive nights. Conrad, characterized after Elvis Presley was played by David West. The other musical leads were Chas Worley (Albert Peterson) and Laura Moore (Rosie).

The season concluded with "One Act Plays," such as "The Importance of Being Earnest." The established tradition, patterned after the Academy Awards, the LH Pammie awards, were carried on.

The 1975-76 officers were Julie Ehrenberger, managing director; Joy Ussery, technical director; Leslie Green, publicity director; Melissa Karlen, financial director; Marla Hunter, secretary; Linda Englehardt, program director; and Miss Pam Ralston was sponsor.

Kappa Rho hears Dallas area poet

Students who had a special flair with pen and paper participated in Kappa Rho, or the Creative Writing Club, throughout the year. Attending several writing seminars, the club members practiced developing an artistic writing technique for future careers. Creative Writing teacher Mrs. Doris Williamson was the sponsor of the club and traveled with them to Texas Women's University for the Tri-State Writing Conference.

The club also honored a famous Dallas area writer for his outstanding contributions to the field. The speaker for this year at the Tenth-Annual Kappa Rho Author's Day program was Mr. Alex Burton, a radio-newscaster for station KRLD.

At the end of the year, the club sponsored a school wide writing contest and honored the winners at a special banquet or social hour.

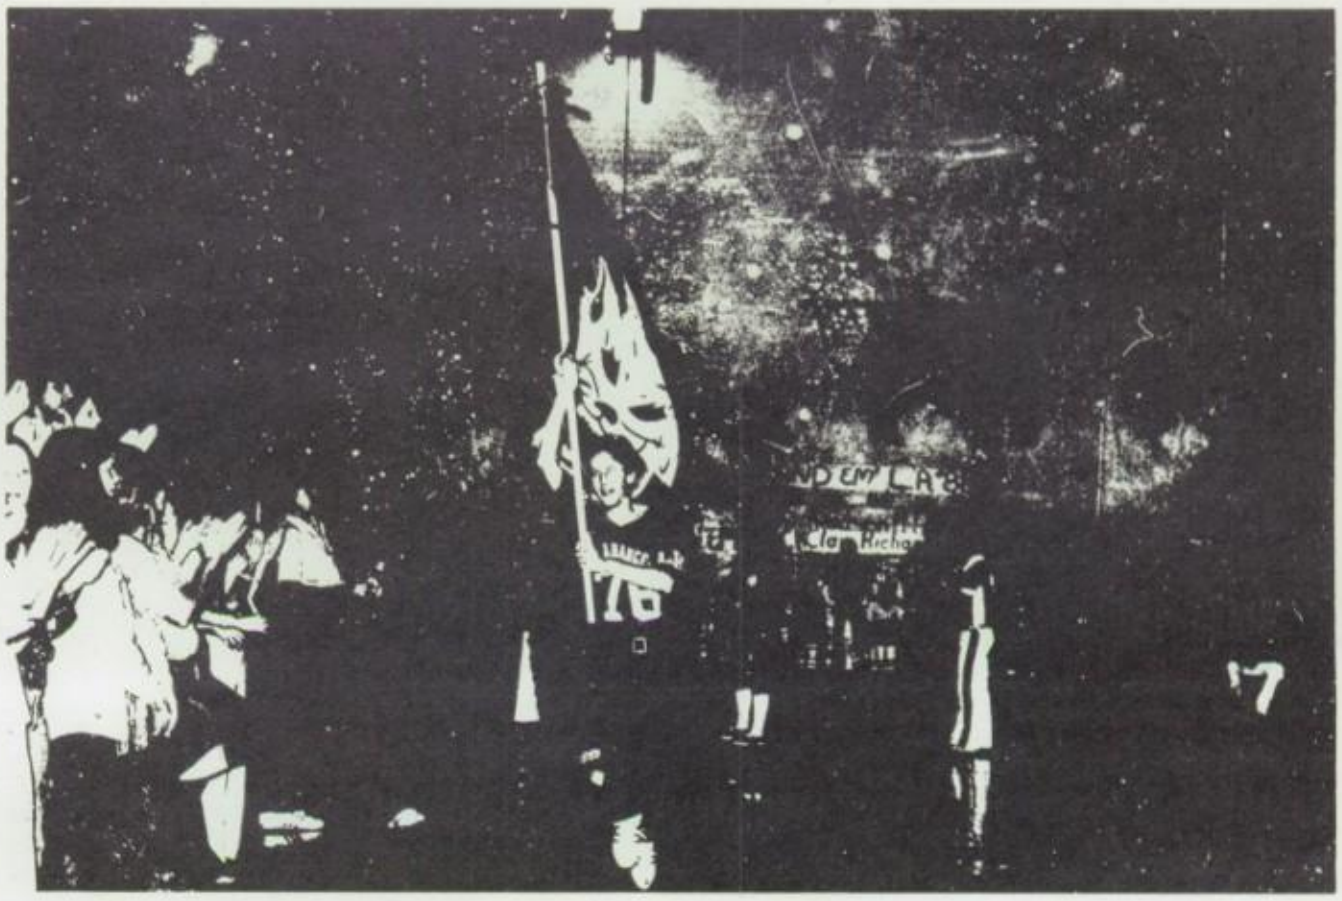
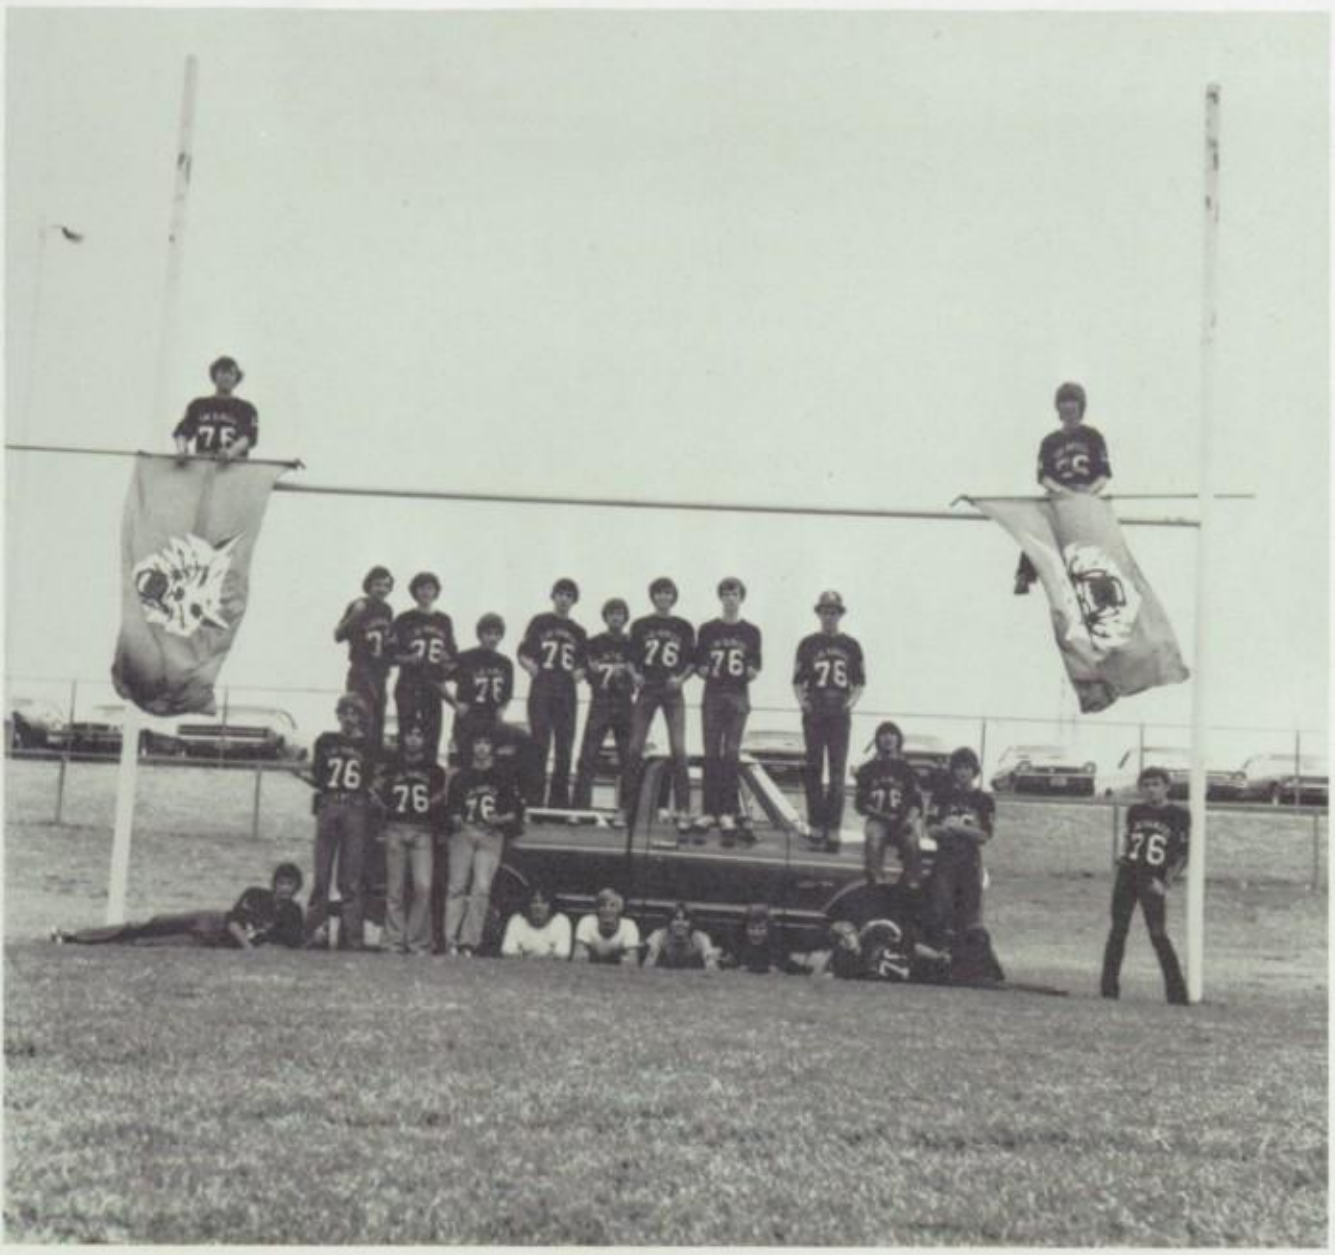
Flaghangers drape paraphernalia





An enthusiastic group of senior boys, the Flaghangers, draped opposing schools with red and white paraphernalia to lead the fighting Wildcats to a victorious '75 football season. Their unmatched spirit and unfailing support to the school and football team made pep rallies a welcome adventure.

Wearing sporty black football jerseys with "FLAGHANGERS '76" emblazoned on the front, the wacky daredevils have been known to scale three-story edifices to plaster their prize posters from the highest vantage point. They have risked the loss of various limbs and appendages to declare Wildcat supremacy in North Texas.

Principal A. M. Anderson sponsored the group which included: Keith Argenbright, Greg Averitt, Tom Behne, Claude Brewer, Jack Brown, Burt Burleson, Larry Butcher, John Bynum, Wade Casey, Kevin Clary, Jeff Collins, David Dixon, Doug Erck, David Fitz, Bobby Fulton, Brion Greene, Bruce Husel, Doug Klaras, Cliff Waller, Wally Williams, Randy Witt, Chas Worley.

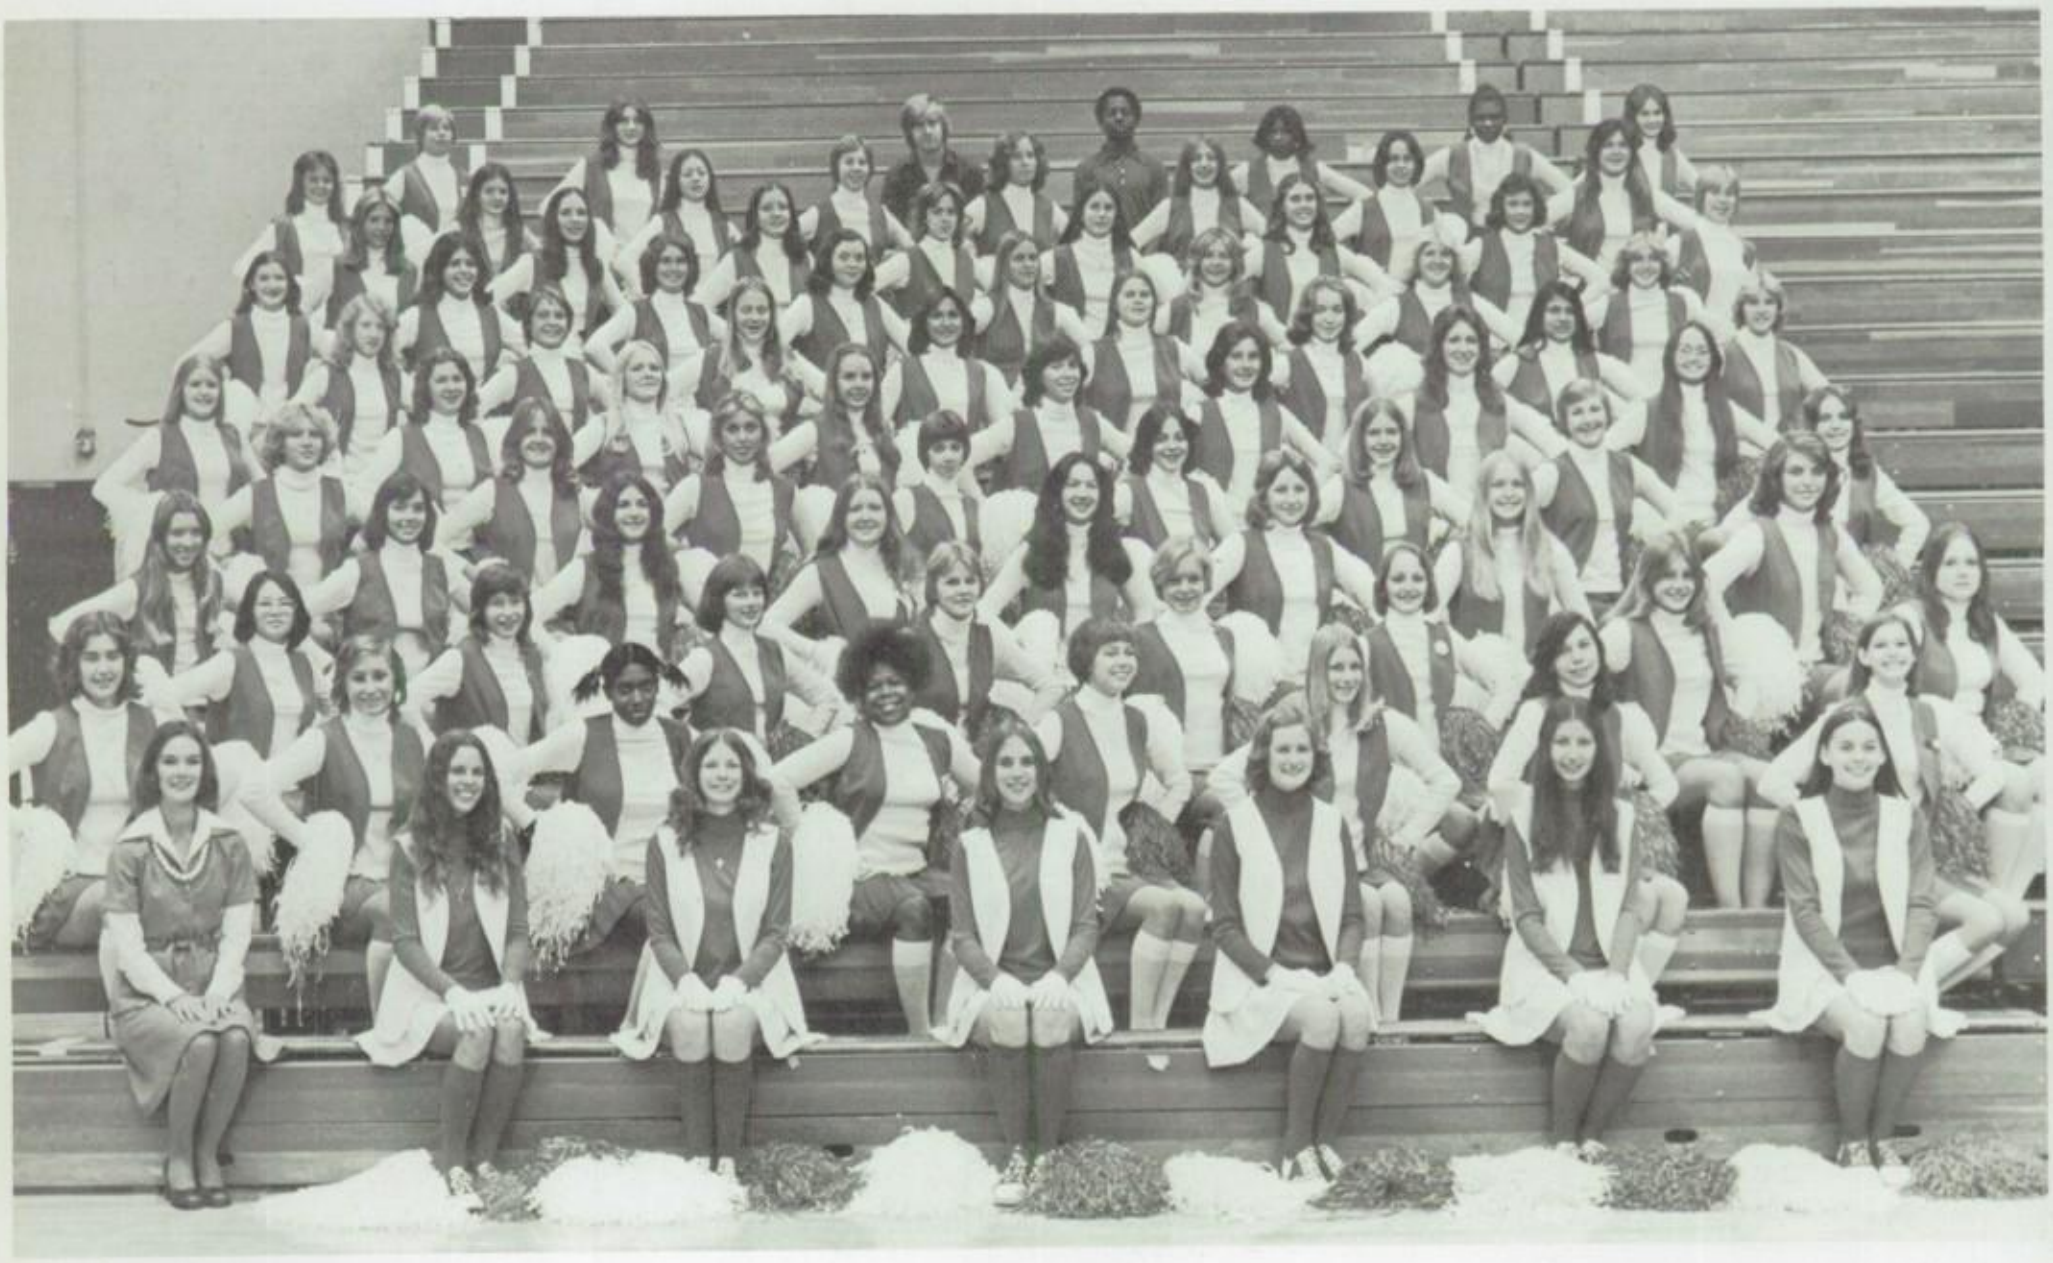
Wildcats backed by Spirit Team



Enthusiasm coupled with vivacity describes one of the school's hardest working organizations — the Spirit Team. In their fourth year, the Spirit Team, sponsored by Miss Susan Ferguson, is still a successful squad.

During pep rallies, the honor girls distributed spirit tokens as the team departed. Long hours of practice were rewarded by performances with tambourines, pom poms, and flashcards. The selling of Christmas wrapping paper, the Spirit Team's only money making project for the year, proved a successful venture.

The highlight of the year was the annual Christmas dance held at the Sheraton on LBJ. "Spring" provided music for the festive occasion.

Leading the squad to a prosperous year were senior Nancy Stephens, president; sophomore Jamie Thomas, vice president; senior Susie Madison, 1st officer; sophomore Lisa Turner, 1st officer; and senior Libby Newhall and junior Donna Wren, 2nd officers. Spirit Team managers included: Rod Pannek, Rick Haman, Ricky Griffin, John Williams, and Aurthur Johnson.

Halftime performances sparkle

The High-Stepping Highlandettes set standards that may prove hard for future drill teams to match. At the SMU gathering, the Highlandettes captured first in high kick, second in marching, and third in pom-pom routines. Senior Lynette Graves was named runner-up for Most Outstanding Girl at camp. The Highlandettes were awarded the sweepstakes trophy during the East Texas State Competition for their performances in the jazz, high kick, and tambourine categories.

Other activities included the annual Christmas dance held at the Sheraton Inn, halftime performances at all football games, home basketball games, and an outstanding showing at the Kilgore Rebel Show highlighted the year. The Highlandettes presented the yearly Spring Show dedicated to the Bicentennial theme of "A Salute to America."

'75-'76 Highlandette officers were seniors Tami Moss, Captain; Anne Depew, First Lieutenant; Carrie Croan, Jenni Crites, and Anna Lee Stallings were Second Lieutenants.

Bellboys boost fighting Wildcats

Adding enthusiasm and spirit to all the pep rallies and football games were the '75-'76 Bellboys, sponsored by the Key Club and Mr. Don Skaggs.

Selected on the basis of outstanding Key Club service, seniors Truett Webster, Liles Arnold, Robert Humphrey, and Mark Kinney were chosen to escort the traditional bell to every football game.

The bell, with its constant ringing, seemed to cast a magical effect over the team, fans, and cheerleaders.

Aside from continuous ringing of the bell the spirited four were responsible for cleaning and painting the bell.

Varsity cheerleaders rally spirit

Beginning and ending on very high notes, the '75-'76 Varsity Cheerleaders, sponsored by Miss Martha Carona, had a rewarding year due to the cooperation and aid received from the student body.

Combining tumbling maneuvers and yells, the cheerleaders: Seniors Janice Edwards, Sherie Duren, Becky Tittle, Jenny Tittle, Brion Greene, Jimmy Tudor, Claude Brewer, and Doug Sanders received a third place out of 154 squads in the SMU Cheerleader camp competition.

Incentives such as the basketball team and the 8-AAAA Football District champs enabled the cheerleaders to perform their regular duties plus 7:30 a.m. practices, decorating halls, and preparing peprally schedules with enthusiastic and exuberant attitudes.

Money making projects this year included a share of profits from the Spring Show, the spirit chain and a small income from spirit ribbons.

As the year progressed, the cheerleaders performed in Varsity Revue, displaying a clever routine to "Rock Around the Clock" and in the Spring Show provided clever comedy skits throughout the show.

The Varsity Cheerleaders ended the year conducting try-outs for the 1976-77 Cheerleaders. This activity proved to be an emotional event, as this was the Cheerleaders' last performance for the student body.

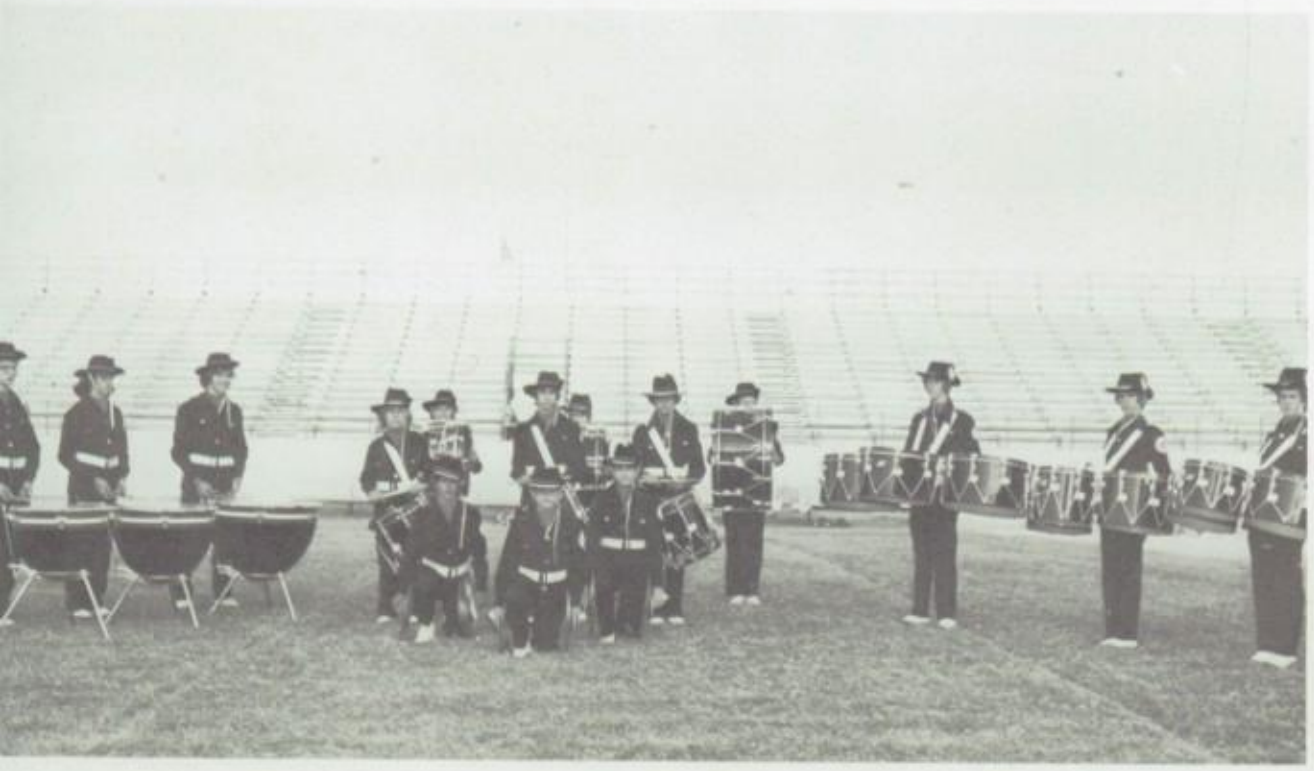
Band 'lightens' halftime show



A myriad of flashlights and majorettes-flag corps flaming batons and flags lit a dark stadium to create one of the countless band performances viewed throughout a productive year.

Drum majors Robin Havlir and Germaine White, both seniors, lead the band, including their special teams, the majorettes, and the drum and flag corps, on a victory campaign throughout the competition. Awarded "number one" ratings, the band traveled throughout Texas and the United States. In April the band journeyed to Corpus Christi for the Buccaneer Festival where they earned top awards.

Highlighting the season of the '75-'76 Wildcat Marching Band, supported by the surrounding community again was praised with an invitation to attend the Midwest Convention in Chicago. Money for the airfare and the hotel was obtained by hard-working band members and parents, the majority of which worked preparing one of the biggest garage sales. White Rock North provided an enclosed space for the adequate room needed to house everything. In Chicago, the Symphonic Band was chosen as the guest of honor for the big finale and last performance.

Director Eddie Green and Marching Director, Bob Brandenburger organized and coached the band's successful bicentennial year.

This boy's club combined with the girl's branch, the Exchangettes, for other service projects, totaling nine for the year. The Jr. Exchange Club sponsor was Mr. Tommy Townsend.

To begin the year there was a model airplane meet that combined the adult group and the high school students. As one of their service projects, they went to Dallas County Emergency Shelter to visit the convalescents.

The leaders of the organization were Doug Snow, president; Bobby Fulton, vice president; Jim Schwalls, secretary; and Kevin Clary, treasurer.

Decorating Halloween sacks for children at Dallas County Emergency Shelter, and giving a birthday party for children at the Juliet Fowler's Children Home reflect exceptional services accomplished by the Junior Exchangettes. Serving the community is the function of the club consisting of senior, junior, and sophomore girls. During November, members provided food for the Thelma Boston Home for Handicapped and two needy families who would not be able to experience the joy of Thanksgiving. The club helped spread the Christmas spirit, along with the Junior Exchange Club, by aiding Dr. Arch McNeil in the making of toys. Once a month the parent organization, Northlake Exchange Club, selected outstanding boy and girl and hosted a breakfast given in their honor. Exchangette officers were: Seniors Rhonda Fischl, president; Patty Walker, vice president; Kim Leissler, secretary; Lynette Graves, treasurer; and Miss Deborah Tanner, sponsor.

Speakers highlight FCA marathon

Leading the Wildcat athletes in religous fellowship throughout the year was the FCA, sponsored by Mr. Jerry Wells.

Earlier in the year the Girls FCA joined with the club for a weiner roast at Flag Pole Hill. Senior citizens enjoyed Christmas caroling when FCA journeyed to Blanton Gardens.

The FCA all-night marathon basketball game proved to be a success as a large sum of money was accumulated. Several FCA members were sent to the summer conference in Estes Park, Colorado.

The Student Senate carnival in January was enhanced with the FCA booth which hosted a puppet show.

Hearts and minds were united in thought as athletes explored the Bible. Guest speakers were periodically invited to the meetings.

The '75-'76 officers were: Burt Burleson, president; Buddy Parker, vice president; Gary Booth, secretary; Buddy Wade, treasurer; and Rod Hibner, program chairman.

Girls FCA share Christian faith

A newly organized club this year was Girls FCA, sponsored by Miss Deborah Tanner.

To begin an exciting year, the girls joined together with boys FCA in October for a wiener roast at Flag Pole Hill. Afterwards, a speaker from Campus Crusade for Christ gave an inspirational testimony.

To share in the Christmas spirit, the girls and boys FCA joined together once again for the Lake Highlands Christmas caroling around the Lake Highlands area and a party at Anna Lee Stallings' house climaxed the evening.

Bake sales and the FCA marathon basketball game aided in raising money for the club.

These projects and activities carried out by Girls FCA were under the leadership of officers selected by the club. This year's officers were Anna Lee Stallings, president; Karen George, vice president; Laurie Stallings, secretary; and Jana Ward, treasurer.

FTA delivers valogram greetings

Gaining an increased knowledge and awareness into the teaching profession was the objective of the LH chapter of Future Teachers of America, sponsored by Mrs. Joyce Pittman.

Junior Anne Pearson began the year by being elected 1976-77 District X president at the convention in April. In October she attended a meeting in Austin with state officials and 19 other district presidents. A leadership workshop was also held at LHHS.

Halloween was celebrated with a costume party at Andrea North's house. Christmas was celebrated as FTA chapters in the Richardson school district had a dinner.

Valograms intrigued as well as embarrassed friends and sweethearts. Heart colored faces singing hilarious songs could be heard upon delivery. This proved to be the major money raising project for the year.

Traveling to the FTA State Convention in Houston, climaxed the year. The club won one of the top ten service projects in the state for the club directory compiled for the student body.

Officers for the year were: seniors, Tom Hunter, president; Susie Madison, vice president; Marilyn Christensen, secretary; Marla Hunter, treasurer; and Rebekah Green, Debbie Doss, and junior Anne Kenny, advisory members.

UPPER RIGHT: Keeping with the Valentine tradition, singing valo-grams brought embarrassment and laughter to both friends and sweethearts. UPPER RIGHT CENTER: The 1975-7 FTA officers. ABOVE: Members of the 1975-76 Future Teachers of America Club.

Members of the LH Future Homemakers of America enjoyed several excursions throughout the year. To help needy children, collecting for Unicef became a major project. The children at Buckner's Orphans Home enjoyed the visiting and attention exchanged by the FHA members. An occasional outing with the kids proved to be great fun. Creativity was put to work at Christmas at which time the FHA members made Christmas toys for the shelter.

Club sponsor was Mrs. Freddie Clark. The 1975-76 FHA officers were Cindy Davis, president; Cathy Carlson, 1st vice president; Demetria Meshack, 2nd vice president; Alnita Hendrick, 3rd vice president; Elena Caldwell, secretary; Sharon Grusendorf, treasurer; Toni Shepperd, historian; and Mary Ellen McSpadden, public relations officer.

Math Club investigates equations

Under the sponsorship of Mrs. Harriet Gross, members of the Math Club, Mu Alpha Theta, were dedicated to pursuing their overall math knowledge. As the year progressed, the club attended several local math competitions. Senior Rick Roesler placed second in the analytic geometry category and a team consisting of Greg Payne, Abbey Garber, and Charles Van Dine tied third in a "mathlete" competition at the Richardson High School Tournament. Another competition, the Hockaday High School Tournament, was attended by Rick Roesler and Charles Van Dine and both faired well.

Officers for the '75-'76 year were junior Kathy Sissom, president; Paul Pellet, vice president; Kathy Feltman, secretary; Beth Pritchett, treasurer.

Para-Med explores medical fields

Education in the many fields of medical careers was one of the objectives of the Para-Med club. Sponsored by Mrs. Nancy Pinder, the club took educational field trips — including one to Presbyterian Hospital, where they viewed labs, operating rooms, and other aspects of modern hospitals. Information on Medical Explorers was gathered at the hospital, a club with which most members are affiliated. Medical Careers were explored with the use of films and personal interviews. Each member became more aware of the education needed and the eventual responsibility that will fall on them if the decision to go into the health field is made. Overall, safety features such as resuscitation were also taught. In April, the Texas Association of Careers for Health was held for the clubs in the Dallas/Ft. Worth area.

Para-Med Club officers for the '75-'76 school year were Francis Mondine, president; Vikki Brookheart, vice president; Vauna Houde, secretary-treasurer; and Libby Kellogg as program chairman.

AFS sponsors spring olympics

A little bit of Sweden touched LHHS this year in the form of Yvonne Wisten, the American Field Service's foreign exchange student for the 1975-76 school year. Joining Yvonne at Lake Highlands was Nancy Fish, of Concord, Massachusetts, proving the newly established domestic exchange program successful. Bridget Stewart traveled to Williamson, New York in the domestic program for the first five months of the school year.

Wildcat bumper stickers and the traditional school directories preceded the hilarious annual Olympic games in March as money making projects to sponsor LH exchange students Christy Tucker and Awilda Randolph in the summer abroad program.

The 1975-76 AFS officers were seniors Debbie Doss, president; Susie Madison, vice president; Lou Ann Myer, secretary; junior Martha Myer, treasurer; and seniors Joan and Jan Umbright, publicity chairmen.

Fang records student concerns

Producing eleven high quality issues, the 1975-76 Fang staff collaborated diligently recording national, local, and school events. With a crew of 32 writers, editors, and photographers, the largest staff in LH history produced Dallas' largest high school newspaper.

Many photographs, advertisements, and published articles brought recognition to individual talents from awards conventions across the state. The paper as a whole was rated All Texas at the Denton, Texas High School Press Association Convention in December and number one in the Dallas area.

The top one per cent of high school papers across the nation include the Fang, this year distinguished by the title of All-American. Columbia University, known for superiority in all fields of journalism and communications also cited exceptional papers with Lake Highlands receiving the title of Columbia Medalist.

Selling advertisements to finance the paper, writing and creating original layouts and pasteup dummies by deadlines kept members busy with frequent after school workshops. The three week process was led by editor Kathy Koons, associate editor Wade Casey and adviser Cindi Wynne.

Outstanding journalists honored

Celebrating its 50th anniversary, Quill and Scroll is the international society for high school journalists. Sponsored by Mrs. Cindi Wynne, who supervises both the Wildcat and the Fang, the society sets high requirements for those wishing to qualify for membership. An aspiring journalist must be recommended by his sponsor, have approval from the National Executive Secretary of the society, taken one year of journalism, placed in the upper third of his graduating class and achieved superiority in some phase of journalism or school publications.

The annual journalism Christmas banquet held at The Magic Pan, was the setting for the announcement of new members in December. Each of the 14 new members were presented with a white carnation while the returning members received a red flower. Officers for the '75-'76 year were, Kathy Koons, president; Wade Casey, vice president; Lou Ann Myer, secretary-treasurer, and Keith Argenbright, keeper of the quill.

Cyclists wheel through competition

Cycle enthusiasts united in the exciting recreation of motocross. Even though meetings were not held regularly, the club managed to join in competitive racing against other motorcycle riders. Members enjoyed participation in area races, which were many times won by LH racers. Along with racing techniques, mechanics and safety of cycle riding were taught.

Sponsored by Mr. Don Whitwell, the club was organized by senior Tony Pace.

Physics knowledge intrigues PRO

The development of skills in physics and the experience in dealing with the concepts of the science were two main purposes for the establishment of the Physics Research Order. Field trips to museums and planetariums helped to promote an understanding of physics in use today and in the past. These physic minded students were also exposed to different occupations.

Club officers were Rick Roesler, president; Jack Brown, vice president; Colleen Kieth, treasurer; and Joan Umbricht, secretary. Rick Roesler was selected from the advanced placement physics class while other club officers had to maintain a 90 average in all classes. Members of PRO were required to complete nine weeks of physics, or have finished a year's course in the field.

VOCT receives training in skills

Lake Highlands chapter of Vocational Opportunities Clubs of Texas, sponsored by Mr. Neil Patton, matched their vocational skills in contests with other VOCT clubs in the Dallas Metroplex during the year.

Monthly meetings brought club members with mutual interests in vocational skills together to discuss methods and experiences. Occasionally, breakfast meetings were arranged. Early in the year instructions in leadership for the club members were taught. Area contests at Waxahachie Vocational School March 27, proved to be a valuable experience for the members.

Officers for the '75-'76 club were: Zach Amick, president; Risa Palmer, vice president; Kelly Shannon, treasurer; Mike Patterson, reporter; Jeff Bergmann, parliamentarian; and John Bergmann, sergeant at arms.

Providing refreshments at a Christmas party for the Dallas Society for Crippled Children was one of their key activities for the year.

In April, the annual employer-employee banquet was held in which two most outstanding HERO students were named along with two students voted most likely to succeed. Sponsor for the club was Miss Beth Porterfield, and officers for the year were: Dee Dee Malone, president; Dawn Crute, vice president; and Lea Ann Sikes, secretary-treasurer.

DECA explores working world

Aiding in career education the Distributive Education Clubs of America, DECA, was sponsored by Mrs. Maryetta Griffin, Mr. Scott Shepherd, and Mrs. Gerry Horton. By providing on the job training in marketing, sales, display, and retailing, students were able to gain insight into the business world. Besides the traditional trip to the Apparel Mart and World Trade Center; such tours as to Neiman Marcus Fortnight in October flourished during the year.

Leading into the Bicentennial year, a civic project was coordinated in the country's honor. The Hamilton Park Pacesetter project enabled DECA co-op students to learn about their jobs and the teachers work world.

February was filled with district competition while in March students attended the State Leadership Conference in Houston, Texas. The year was concluded with the employer-employee banquet in April when several awards were presented.

A TIME TO BE PROUD
1776 1976
GAMES

With a district championship football team, and a state champion wrestler, LH had an outstanding athletic department. The program was under new leadership with Joe Bob Johnson stepping in as head of the department.

As well as having the high quality teams of the past two new additions, girls' volleyball and girls' basketball were added to the program. Although being young each achieved a noticeable season record.

All of the '75-'76 teams were directed by distinguished coaches. Many of the coaches have been with Lake Highlands since it began, however, to keep with change some new young coaches joined with the veterans. New coaches were: Jack Clark, B-team basketball and B-team football; Hez Ray, wrestling; Bill Robbins, B-team football; David Strobel, swimming; and Tommy Townsend, B-team football and soccer. All of the coaches were instrumental in training the athletes vital skills, tactics, and strategies. Endless hours and immeasurable energy was spent with individuals to improve their talents to their fullest capabilities.

Besides being taught vital skills, players learned the value of sportsmanship, the importance of self-respect, and the necessity of working as a unit. All of these characteristics were fundamental in making the athletic department a success.

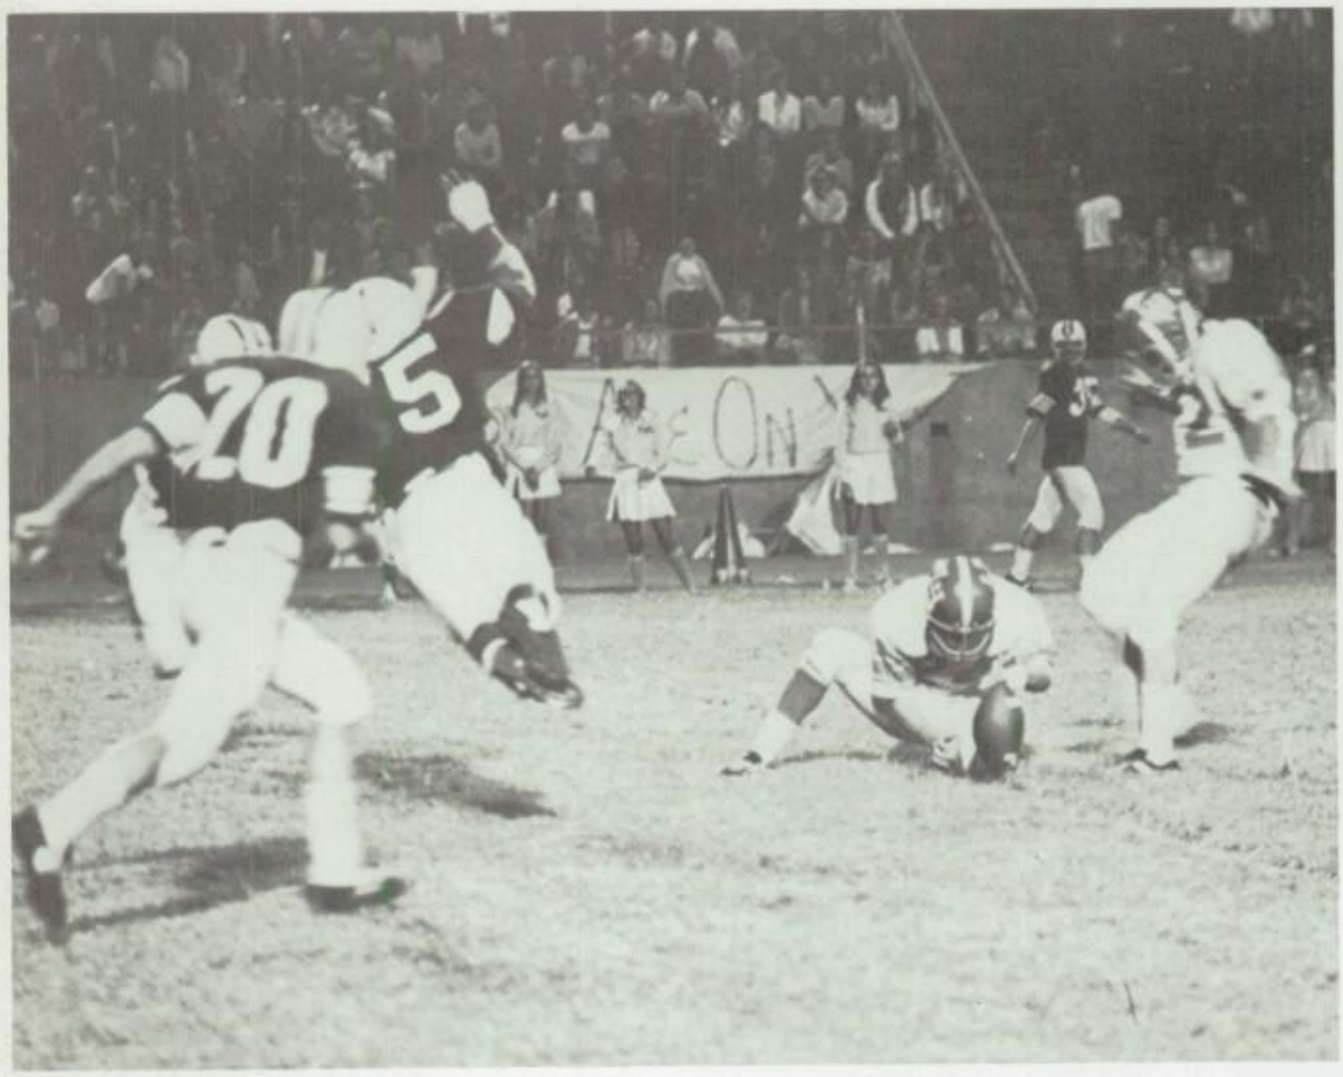
'Cats slip by Eagles



Opening up district play in style, Lake Highlands scored the winning touchdown against the Richardson Eagles with just 1:21 remaining in the contest.

Getting the ball on his own five yard line, quarterback Scott McCuistion engineered a 95-yard, time-consuming drive which was capped by McCuistion when he carried around the right end for the score, and a 13-6 victory.

For the second week in a row, Wildcat fans witnessed a nail-biter as Lake Highlands pulled out a last second victory over the Garland Owls.

With the ball resting on the Owl 18-yard line and the clock running down, quarterback Scott McCuistion lofted a touchdown pass to Kevin Longley with 30 seconds remaining in the game to give the Wildcats a 13-6 victory. On the winning drive Greg Terrell hauled in a 25-yard pass and Rod Hibner rambled for 24-yards on a draw play.

Wildcats shut out WH

A stonewall Wildcat defense held the Pearce Mustangs to a lone touchdown as Lake Highlands reeled their third straight district win with a 19-7 victory.

The Cats opened up an early 13-0 lead on touchdown runs by Doyle Hamrick and Rod Hibner. Hamrick scored on a five-yard run while Hibner scored from 12 yards out.

LH sealed the victory with just 44 seconds left in the game when Scott McCuistion scored on a four-yard run. Before the score, the game could have gone either way since Pearce had closed the gap to 13-7 earlier in the game.

The Wildcat defense came up with four turnovers and shut out the Wilmer Hutchins Eagles in the 1975 Homecoming game.

Lake Highlands scored on their second possession of the game on a 57-yard drive which took five plays. Senior Rod Hibner scored the lone touchdown of the game on a five-yard run. Keith Noel tacked on the extra point and LH led 7-0.

Just before the half, Greg Terrell picked off an Eagle pass at the LH 12 to kill a Wilmer Hutchins drive. Seniors Preston Dickson, Donny Geldert and L. A. Ransom pounced on Eagle fumbles late in the game, with two of those being inside the LH 35.

LH butchers Mesquite

Lake Highlands took one step further toward the showdown with Mesquite as the Wildcats downed the North Mesquite Stallions 14-7 at Hanby Stadium.

Both of Lake Highlands' touchdowns were through the air. The Wildcats opened the scoring with a 14-yard TD pass from Scott McCuistion to Greg Terrell. Keith Noel tacked on the extra point.

With the score tied at 7 apiece, McCuistion hit Don Morgan with a 25-yard TD pass. Noel's extra point closed out the scoring.

A standing-room-only crowd in Mesquite's Hanby Stadium looked on as Lake Highlands destroyed the Mesquite Skeeters 34-7 in the district 8-AAAA showdown.

The Cats led 12-7 at the half on the strength of touchdowns by seniors Rod Hibner and Don Morgan. Hibner scored on a nine-yard run while Morgan hauled in a Derek Lancaster pass.

Halfback Doyle Hamrick also set a school record when he ripped through the right side of the line for an 89-yard touchdown run.

The Wildcat defense, dominant throughout the whole game, was led by seniors Scott Bevers, Kevin Longley, Steve MaGouirk and Ronnie Brown.

'Cats clip S. Garland

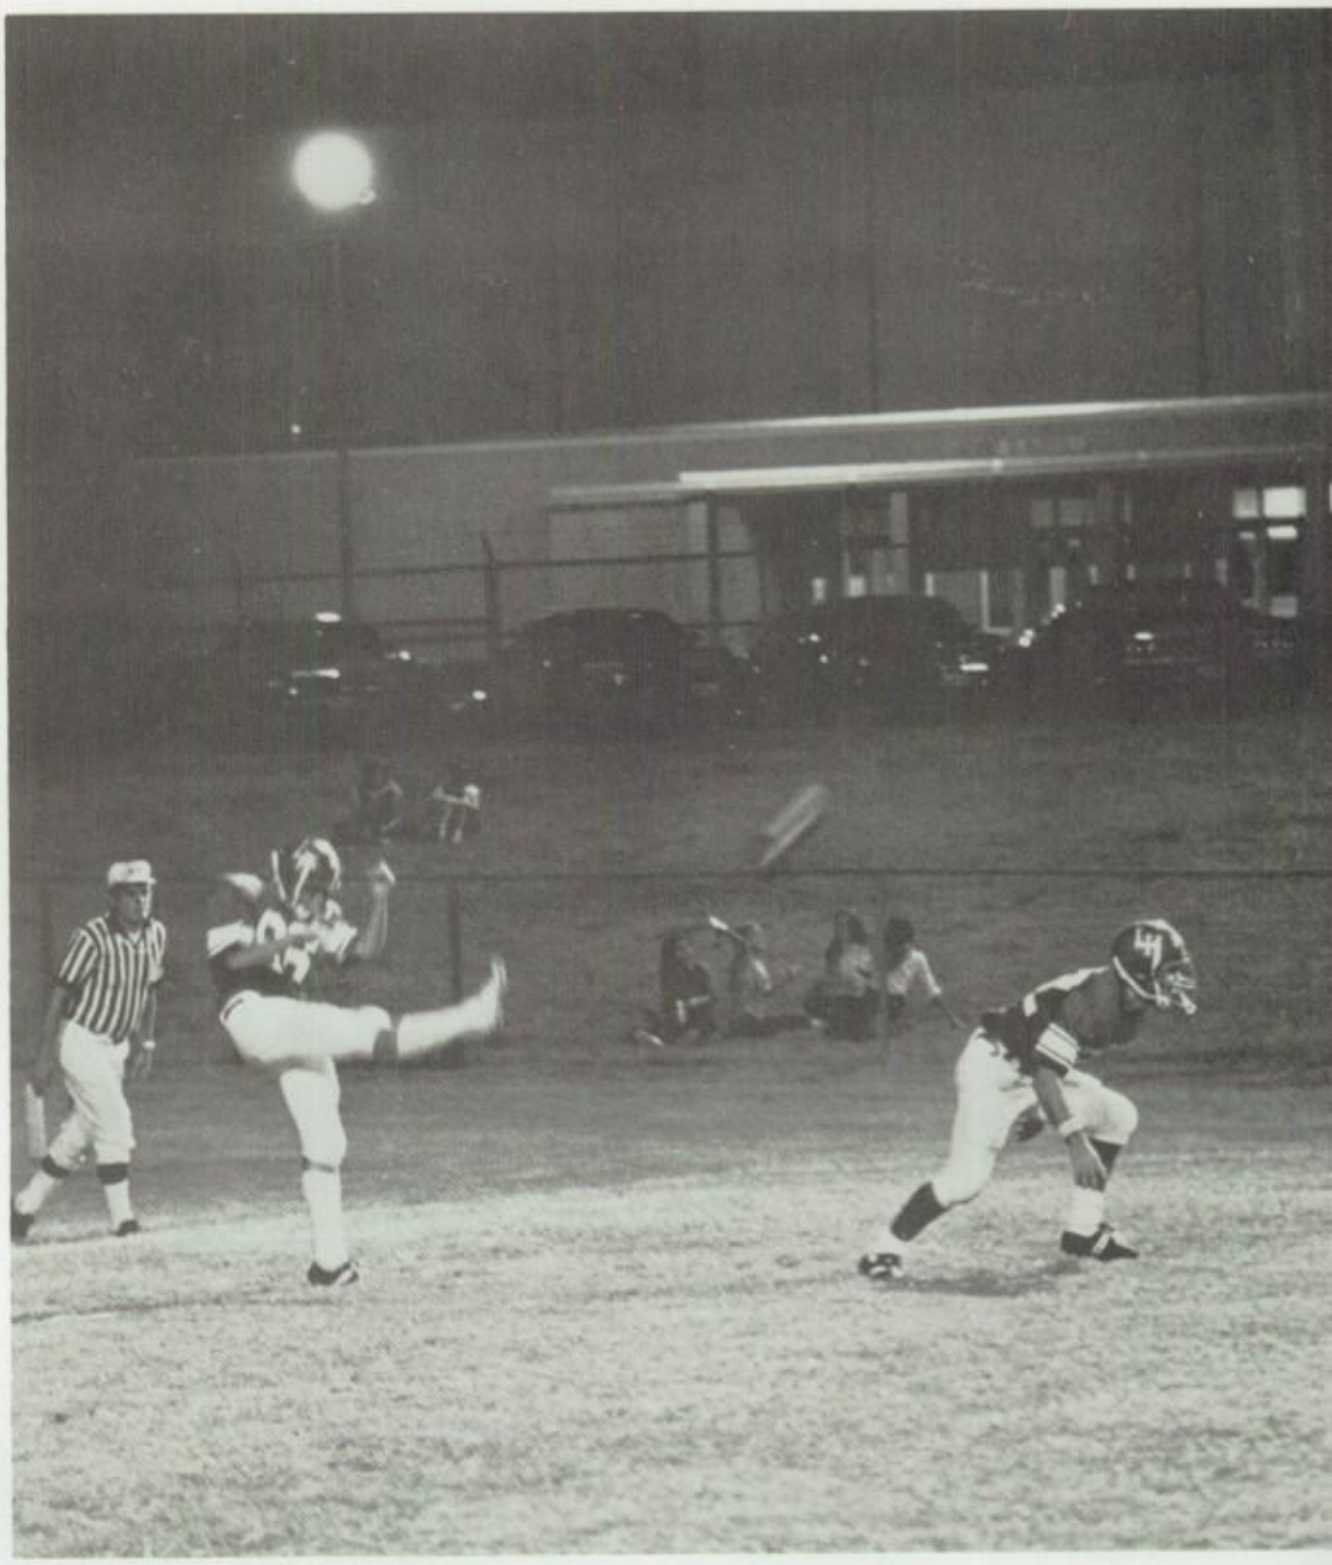
Getting back to their usual close games, Lake Highlands clinched the district 8-AAAA title with an 18-14 victory over the South Garland Colonels.

Trailing 14-6 at the half, the Wildcats came to life in the fourth quarter. Rod Hibner closed the gap to 14-12 with a one-yard plunge. The winner came when Derek Lancaster fired a 20-yard plunge strike to Kevin Longley, his second of the night. Longley hooked up with Lancaster on a 56-yard TD pass for the Wildcats' first score.

With the bi-district game just a week away, Lake Highlands handed the North Garland Raiders a 34-2 shellacking, on a brisk Friday night in Memorial Stadium.

Again it was the Cat defense, who held the Raiders to a mere 91 yards on offense while intercepting four passes. Senior David Hargrove hauled down two of those interceptions while Steve MaGouirk and his younger brother, junior Gary MaGouirk, picked off one apiece.

Doyle Hamrick led the LH offense, rushing for 100 yards and scoring on runs of 44-yards and one yard. Other touchdowns were scored by Kevin Longley and Connor McBride while Keith Noel booted two field goals.



in bi-district battle

When that last pass hit the ground, Lake Highlands' long season had come to an end.

Heading into the bi-district contest with ten victories under their belt, the Wildcats ran head-on into a scrappy Sam Houston football team. When the horn sounded to end this hard fought game, the scoreboard read LH 13, Sam Houston 13, but the Texans went on to regionals by virtue of first downs, 16-12.

The Wildcats lit the scoreboard first when Doyle Hamrick scooted 21 yards around the left side for the score. Keith Noel's kick was true and LH led 7-0.

Early in the second quarter, Sam Houston erased their goose-egg from the scoreboard when Steve Luton scored from a yard out, capping a 48-yard drive. The extra point was missed, and LH took their 7-6 lead into the locker room.

Just barely into the third quarter, Greg Terrell picked off a Texan pass giving LH the ball around midfield. Seven plays later, quarterback Scott McCuistion hit tight end Doug Snow with a 15-yard TD pass. The point after failed, leaving the score 13-6.

The Texans tied the score on a one-yard plunge by Luton, capping an 82-yard drive. The extra point split the uprights.

The 1975 Wildcat Junior Varsity completed another winning season this year under coaches Jackie Russell and Jack Clark. They ended the season with six wins and four losses.

In the season openers, the JV rolled over W. T. White 28-0. Junior quarterbacks Michael Terrell and Aadrian Anderson each threw touchdown passes and sophomore halfback Cecil McLane returned a punt for a 70-yard score.

The following two weeks the Junior Varsity suffered consecutive setbacks at the hands of Kimball 28-7 and Richardson 20-6.

In the next contest against Garland, on offense, Bishop Pearson returned a punt for a 64-yard touchdown while Eugene Denmon continued his hot-hand passing. The Cats rallied to win 27-20.

Sound defense carried the Wildcats over their next two opponents in victories over the J. J. Pearce B-team 22-7 and Richardson 15-6, with Gary Booth, Dwayne Hartnet and Buddy Wade pacing the unit.

North Mesquite shut down LH in the next game and blanked the Cats 7-0.

Rebounding from the previous setback, the junior varsity whipped the Mesquite Skeeters 37-0.

The Cats' momentum was stopped soon as the Skyline Raiders shut out LH for the second time in three weeks by whitewashing the Wildcats 6-0.

The Junior Varsity still enjoyed success this season and it should secure Wildcat varsity hopes of the future.

Led by an explosive offense and a rugged defense, Lake Highlands B-team finished their football campaign with an 8-2 record.

Bill Garner, Bill Robbins and Tommy Townsend, B-team coaches, saw their squad reel off six victories before dropping two near the end of the season.

The B-team buried W. T. White 50-0 in their season opener. Mike Morris raced for 153 yards while Russell Dickson, Trav Whitehurst and Scott Dunnigan also added scoring runs.

Thomas Jefferson was not much of a threat as the Wildcats won 40-15. Arch-rival Richardson could not stop LH as the Cats edged the Eagles 14-12.

In the next game, Jay Fountain hauled in three touchdown passes from Jeff Leake for a Wildcat 44-8 victory.

Adding two more victories, LH downed the J. J. Pearce JV 17-6 and Wilmer Hutchins 18-15. Against the North Mesquite B-team, the Stallions took a 7-6 win for the Cats' first loss. The following week the B-team blanked Mesquite 37-0.

In their ninth game, the South Garland Colonels nipped LH 10-6 and the season ended on a winning note with a 40-6 victory over North Garland.

Under the direction and leadership of Coach Ed Zachary, the LH Girl's Basketball team posted an excellent record in only their second year of existence.

The girls, behind all-district performers Carrie Croan, Beth Wright, Karla Marshall, and Laurel Wilson, paced the Cats through their tough pre-season and district schedules.

In a fine pre-season, LH found themselves on the winning side in three of their first four games. Their victories came over Carter 57-49, W. T. White 64-33, and Berkner 45-34. The Cats fell to Hillcrest 38-35 in their only loss. In the Bishop Lynch Tournament, LH downed Mesquite 40-32 in their only victory of the tourney.

The first half of district play saw the Cats post a 1-3 record. During the second half of district play the Cats bettered their district record with two victories over Mesquite and North Mesquite. These wins gave the girls an overall record of 3-5 for the district campaign.

Under the direction of first year Coach Jerry Wells, the Cats posted a 2-6 record in the first half of district play, and an 0-8 record in the second.

The Cats dropped three of their four preseason games in warming up for the long district campaign ahead of them. Featuring a strong 40 point second half, the Wildcats overcame a 20-18 half time deficit to defeat the Bryan Adams Cougars 58-52.

In the district opener, Pearce defeated LH. Despite Gibby Haynes' 30 point effort, the Cat's next loss came at the hands of the North Mesquite Stallions. LH's wins during the first half of district play came against Mesquite and North Garland. The Cats downed the Skeeters 61-55, followed by a convincing 65-48 win over North Garland. Closing out the first half, Garland stopped the LH win streak at two as they nipped the Wildcats 56-55.

Although it was a disappointing season, the Cats still received excellent performances from some key players. Senior forward Gibby Haynes proved to be the Cats chief offensive threat, with a great deal of help from Marion Lewis, Burt Burleson, and Dan Kiniry.

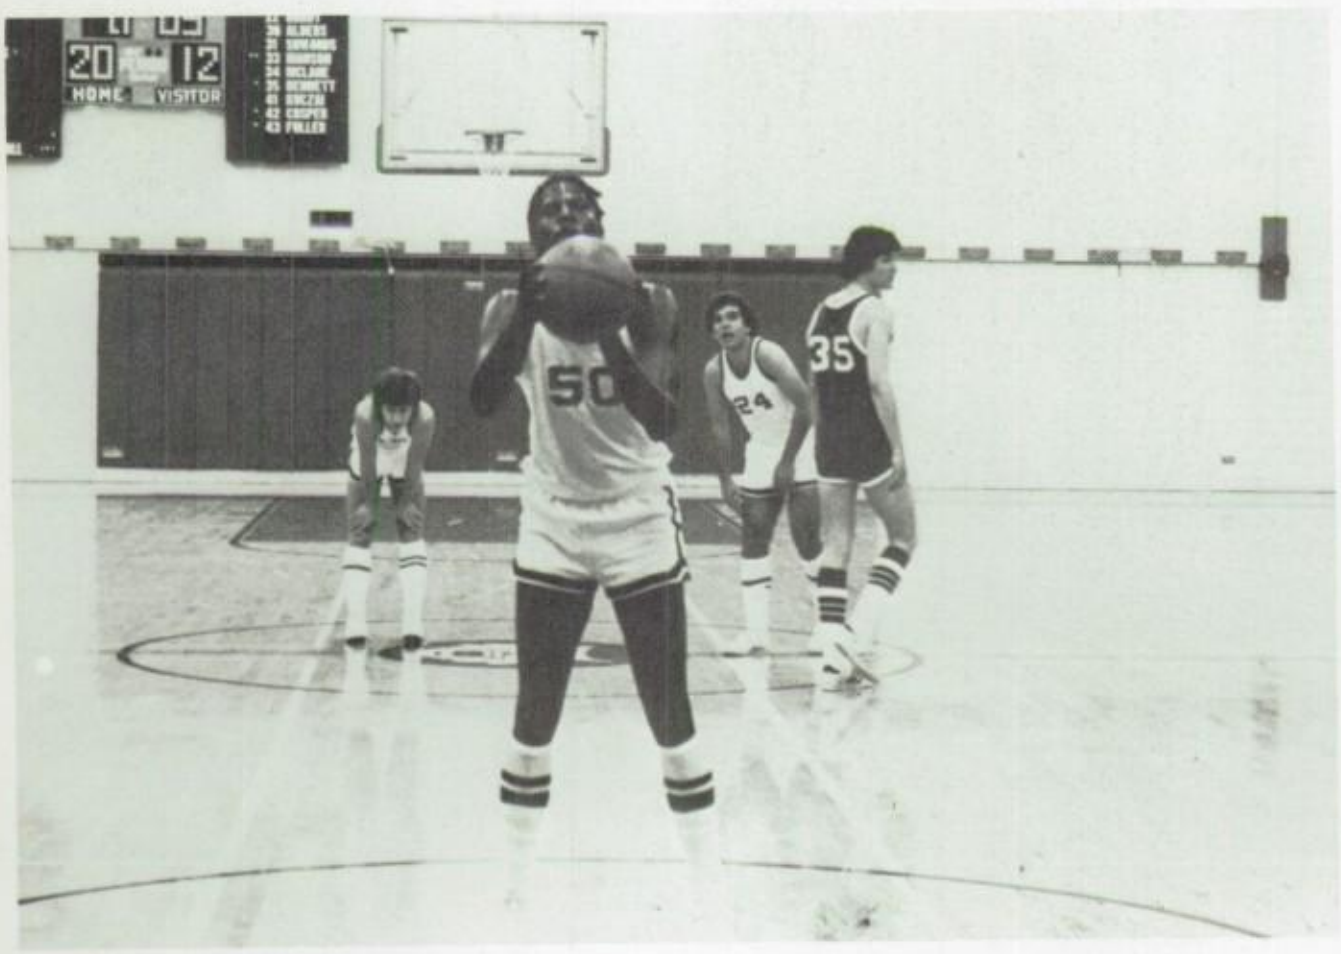
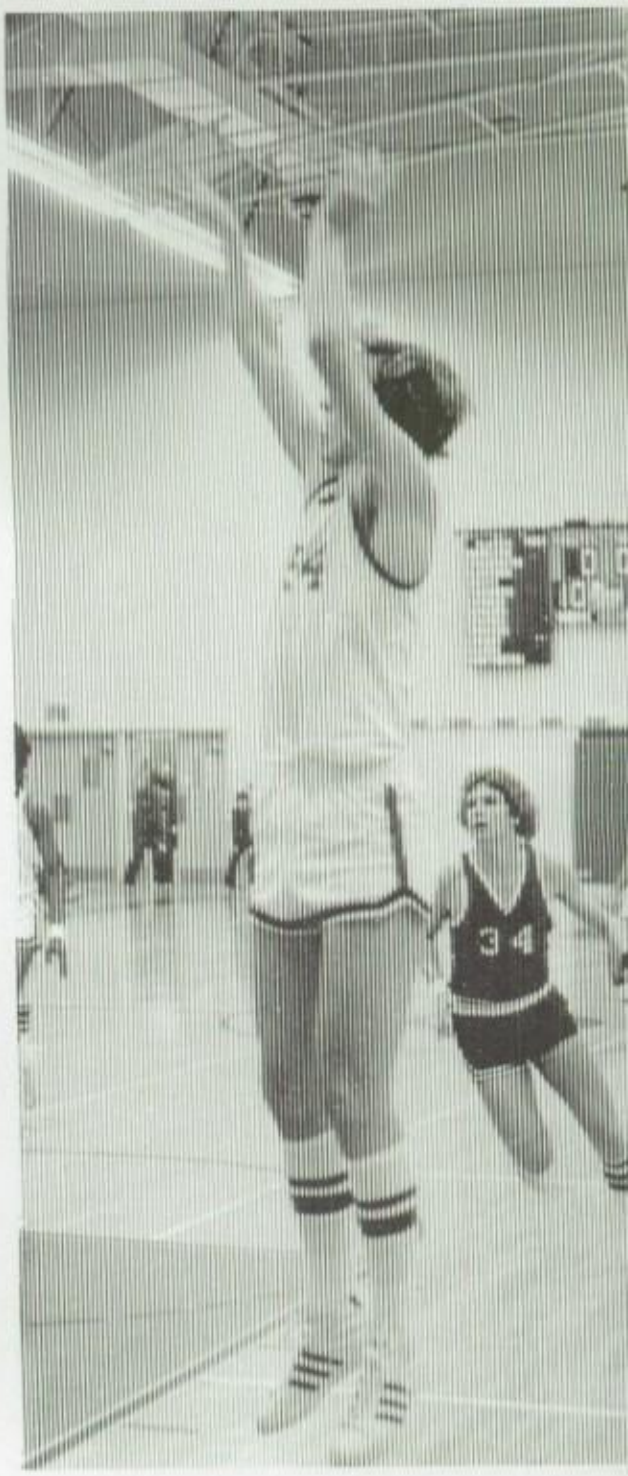
FACING PAGE LOWER RIGHT: Center Jud Haptonstall collides with a Garland opponent during the jump.

This year's center position was handled by two big men, Marion Lewis and Jud Haptonstall.

Six foot four inch Lewis was a two year letterman. Marion proved to be a strong rebounder for the Cats while also being a prime offensive threat. He averaged a strong 13 points a game. During the pre-season he played some great games, pumping in 11 points against Highland Park, 12 against Bryan Adams, and a remarkable 15 points against Irving MacArthur.

Jud Haptonstall, Marion's backup throughout the season also made a tremendous show of effort toward the Wildcat cause. Although he did not see much action this season, Jud contributed a great deal of support toward the LH effort.





Seniors Burt Burleson and Randy Washington handled much of the backcourt action during the 1975-76 season. The two guards led the team in assists with several high point games to provide enlightenment.

Burleson was handicapped early in the preseason games by injuries, but made a successful recovery after Christmas. With a renewed spirit, the team play picked up after Burleson's comeback.

Randy Washington, Burleson's counterpart added speed and a strong defensive effort to the team's action. Washington was a consistent starter and he became famous as one of the more exciting players due to his crafty ability to steal the ball.

The two starters had excellent back-up men in juniors Steve Sietz and Brett Hammers. Sietz should see a great deal of action when he returns next year. Brett Hammers provided strength in the backcourt. He used his 5'9" frame to his best advantage while exhibiting excellent shooting abilities.

Overall the guards made a resounding effort toward the LH cause.

The Wildcat forwards provided much of the scoring punch during the 1975-76 season.

The best forward on the team was senior Gibby Haynes. With a 19.7 seasonal average, Gibby's long range accuracy proved to be one bright spot on the Wildcat team. Gibby was the only player from the 75-76 edition of the Wildcats that received post season honors. He was named to the district 8-AAAA first team for his outstanding play during the season. Gibby also received all-tournament recognition in both the Dr. Pepper and Duncanville tournament.

Danny Kiniry, the 6'5" junior broke into the starting line-up in the Irving Tournament, where he received first team all-tournament honors. Danny posted a strong 12 point average for the Wildcats, and he finished second to Marion Lewis in rebounding. Danny will be the only returning starter next year.

Eddie Waters, did not see much action during the season, but when he did take the floor he contributed against North Garland, he popped in 14 points for the LH effort, and 12 points in the season finale against Garland.

B-TEAM TIES IN DISTRICT

Opening the season under first year coach Jack Clark, the B-Team proved to be the light in the Lake Highlands basketball program.

The B-Team started the season by losing, 92-79 to the Highland Park Scotties. Rebounding from their loss, the Cats edged Jesuit 51-48. Then Pearce overcame the Wildcats 50-46 despite Bret Chumbley's 12 point surge. Bryan Adams was LH's next opponent and the Cats defeated the Cougars 77-66. LH next downed the Sunset Bisons 51-45. Continuing their winning ways, the Wildcats edged Irving 73-65 as Chumbley pumped in 30 points. In a repeat against Highland Park LH fell 73-49. Closing the pre-season, LH downed Jesuit 69-53 to give the Cats a 5-3 season record.

Through the first district game, the Cats exhibited a potent offensive attack. LH closed out the first half with a 4-4 record. The Cats lost some close ones as was the case against North Garland, with the final score reading 49-48.

In the second half of district play, the Cats streaked to win their first five games. After the second Mesquite game the record was 19 wins and 7 losses. LH defeated in order, Pearce 62-50; North Mesquite 57-53, Wilmer Hutchins 66-61, South Garland 55-51 and Richardson 64-50.

An improved defense, which yielded only 50 points a game was the key to the B-Team's success.

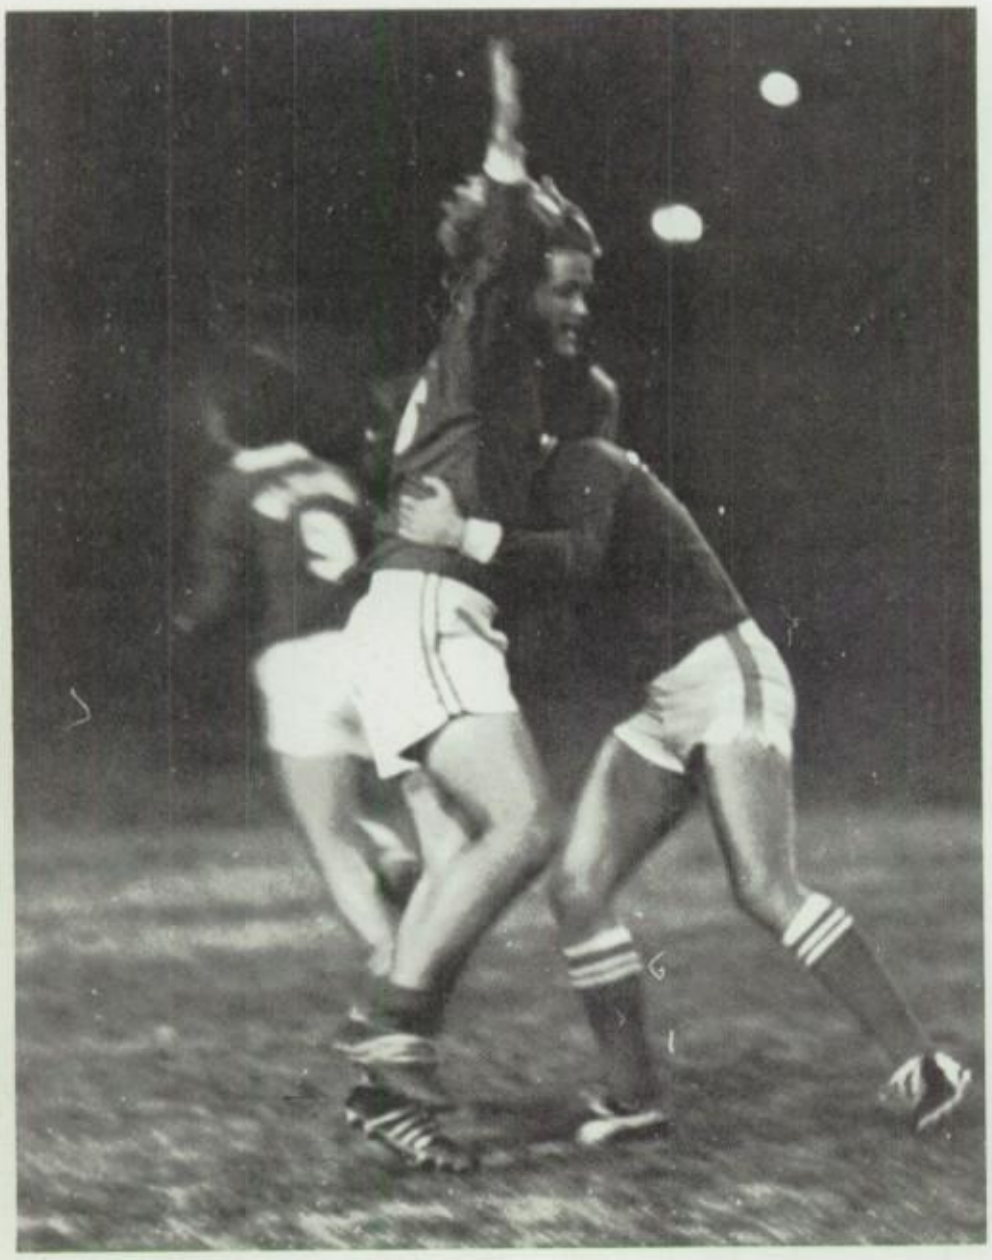
SOCCER EARNS 9-3 MARK



The 1975-76 Wildcat soccer team concluded the season with the excellent record of 9-3.

Allowing only 20 goals, the squad's goalie, Stuart White, achieved 50 saves, while at the same time the Wildcats were scoring an average of 3.8 goals per game. This winning combination placed them third in district.

Leading scorers were Carlo Morales, Mike Heredia, and Brian Wilson. Together, they contributed 23 of the 46 goals made by the Cats.

Coach Tommy Townsend did a superlative job in his first year of coaching the team and is looking forward to an even better season next year.

MATMEN SUCCEED IN '76

After a slow start, the LH Grapplers went on to win twelfth in state competition at El Paso during the 75-76 season. Coach Robert Harris returned to lead the team in a series of successful meets.

Plagued by an over abundance of inexperienced wrestlers, the team came on strong winning six out of their last seven meets. The Grapplers contended in several tournaments including one at R. L. Turner and a B-Team tournament at Richardson. On January 15, Van Alstyne made the mistake of showing up against the Wildcats, as Lake Highlands disgraced them by a score of 63-2.

The Wildcats enjoyed the success of senior Jim Schwalls, an outstanding wrestler this season. Early in February, Schwalls went on to win the state championship in El Paso, while several of his teammates looked on.

Throughout the season, the Wildcats competed under the cheerful encouragement of the Mat Mates. The spirited girls devoted to supporting the team were, Shelby Ballard, Laurie Clary, Sandy Grahm, Margaret Melby, Mindy Rowe, Karen Schwalls, Claire Tunnel, and Donna Wren. These bright young women added a happy note to a tense but rewarding season.

GOLFERS YIELD HONORS

After the first day of the 8-AAAA District tournament, the Lake Highlands golf team was just four strokes off the pace. Both co-captains, Tom Behne and David Dixon, placed in the top ten.

Throughout the season LH kept hot on the trail of the Pearce Mustangs, the eventual winners of the district title. The golfers streaked to seven wins in their first eight district matches, and seemed well on their way to challenging for the top spot in district.

Outside of district play, the golfers faired well in their three tournaments, the Fort Worth Recreation tournament, the Plano and Grayson County tourneys, and the Sherman tournament.

Sophomore Pat McMaster proved a surprising strength to the team. His unfortunate loss to a broken leg hurt them in district play.

As expected at the start of the season, the all-senior top five, consisting of co-captains Tom Behne and David Dixon, plus Steve Spencer, Dale Botsford, and Kip Underwood, played solid golf throughout the year.

The 1975-76 LH Tankers triumphed once again with an outstanding team. Eleven school records were broken this year including several by junior Beth Lutz.

Beth beat times set by the Cats' top swimmers last year. Bringing in another remarkable record, she became regional and state finalist. Along with Beth, seniors Kathy Dannemiller and Jill Stucker; juniors Margaret Melby and Carol O'Connell; and sophomores Kenny Adams and Melonie Nichol were regional finalists.

The team was under the guidance of captains Brent Napier, Eric Royal, Kathy Dannemiller, and Jill Stucker. Junior Mike Gardner and sophomores Victor Lutan and Susan Spillman were the team's managers.

Divers Melonie Nichol and Andrea Ward were off to a great start as sophomores and hope to return even stronger next year. This year the Cats can once again be saluted as an outstanding swim team.

In 1976, Lake Highlands again had a top Varsity Baseball team. With the experienced coaching staff led by Coach Jay Higgins, the Wildcats baffled opposing teams with their expert fielding and batting. The Wildcats came in a high second in district with a record of 11 district wins and 5 losses.

Excellent players on the team this year were awarded certificates at the annual Awards Assembly. Most outstanding player was awarded to the Wildcat pitcher Tim Hays. Senior Matt Westmoreland received the honor of being named most improved. Senior Greg Terrell was awarded the honor of Mr. Hustle for his outstanding ability and quickness on the field. The honor of outstanding sophomore for the year was given to Jim Tanner. Because of their extreme improvement this year, both Jim Tanner and Brad Reid were allowed to move up from B-Team to Varsity.

Coach Higgins expects another exciting season next year as many of his better players will be returning.

Both Jim Tanner and Brad Reid demonstrated their excellent ability on the field. This resulted in their being moved up to Varsity during the year. The honor of outstanding sophomore was given to Jim Tanner.

CROSS COUNTRY RECEIVES TITLE

The Lake Highlands Cross Country team is the only varsity team to capture a state title. This accomplishment was foreshadowed at the beginning of the season by predictions of the best season ever. The season was expected to be excellent due to the superb runners.

The state race was held in Austin, Texas, along the Colorado River. Lake Highlands finished first ahead of Clear Lake, McAllen, El Paso Belair, and El Paso Jefferson, respectively. The team qualified for the state meet by placing second in the Region II track meet in Arlington.

Coach Jackie Russell, coaching this year's championship team, also coached the 1963 and 1964 2A and 3A teams. When someone mentioned that next year should be an easy one, Coach Russell said, "It's never easy." Cross Country, like any other sport, takes determination, discipline, and betterment.

Recapping the season, one can see that this was indeed a profitable year. First, Lake Highlands beat their cross country rival, North Mesquite, for the first time in three years. Five runners Mike Clayton, Chuck Bell, Reed Jones, Gary Alsobrook, and Bob Potrykus, broke the old two mile record of 9:54. By winning the state championship, they increased the popularity of the sport at LH. Coach Russell and the team worked hard for what they gained and they more than deserve their reward.

The LH Track and Field Team was lead through another successful year by top winners, Aaron Donnell, Chuck Bell, and Mike Clayton. Out of 11 teams in the LH Invitational the LH tracksters won first, edging out a strong Sherman team.

Outstanding runners for the Wildcats were: Chuck Bell and Emery Garth for the 880 run; Mike Clayton, James Scott, and Aadrian Anderson for the mile run; Bob Potrykus, Gary Alsobrook, and Reed Jones for the two mile run; Bob Evans, Richard Galin, Earnest Easley, and Thomas Kiker for the 440 relay; and Mike Mullins for the 330 intermediate hurdles.

Top Field Event competitors were: Aaron Donnell — long and high jump, Scott Bevers and Donny Geldert — shot put, Doug Sanders — long jump, and Scott McCuistion — high jump.

In the district meet Aaron Donnell placed second and third in the long and high jump respectively to qualify for regionals in both. Half-miler Chuck Bell captured second place and miler Mike Clayton finished second, as they also qualified for the regionals.

In the Regional Meet at North Texas State Aaron swept through the competition at Denton to win the high jump and finished second in the long jump. Chuck Bell took third while Mike Clayton came in seventh.

In the state meet Donnell won the state title in the long jump with a leap of 24′6″.

Led by Seniors Eunice Flanigan, Kelly Micarelli, junior Rhonda Butler, and a pleasant surprise in Charlotte Gauthier, the LH Girl's Track team had possibly their best year ever.

Along with the district title, LH sent five entries to regionals. Eunice Flanigan competed in three of them.

Tina Gray, Eunice Flanigan, Charlotte Gauthier, and Rhonda Butler broke school records in both the 440 and 880 relays.

For the third straight year the girls have captured the district title. They did remarkably well against stiff competition.

Before the district meet at North Garland, LH participated in meets at Garland, Bishop Lynch, Waxahachie, and the LH Invitational. They came in second in all four of these.

Besides the relays, five other school records were broken. These included Kelly Micarelli's distance of 36′6½″ in the shot-put, Charlotte Gauthier's time of 11.1 seconds in the 100 yard dash, and Rhonda Butler's time of 11.0 seconds in the 80 yard low hurdles. Eunice Flanigan broke two records: her long jump 18′11½″ and her triple jump of 38′11½″. Her triple jump not only set a school record, but was the fifth all-time jump in Texas.

EDUCATORS

A group of unique individuals made up an outstanding faculty and administration at Lake Highlands this bicentennial year. Interest and enthusiasm characterized each educator.

A great number of faculty members were found participating at various activities such as peprallies, sports events, clubs and dances.

The staff portrayed some of the most enthusiastic participants in supporting the athletes, fund-raising projects and student competition.

Each department organized and carried out meaningful bicentennial programs which celebrated America's 200th birthday. For example, one program was the foreign language class' study of the influence of different countries in America.

Teachers furthered education, opened doors of opportunity and shared valuable experiences for preparation of the future. Counselors had many opportunities to offer helpful advice and necessary information dealing with seniors preparing for college. The high standard of schooling was further upheld by the principals, as well as providing a comfortable learning atmosphere. No student concern went by unnoticed as school administrators dealt with each problem that arose in the course of the year.

Many individuals looked to teachers for advice, leadership and praise. The information shared by the faculty would not soon be forgotten by students, but carried with them throughout coming years.

A TIME TO BE PROUD

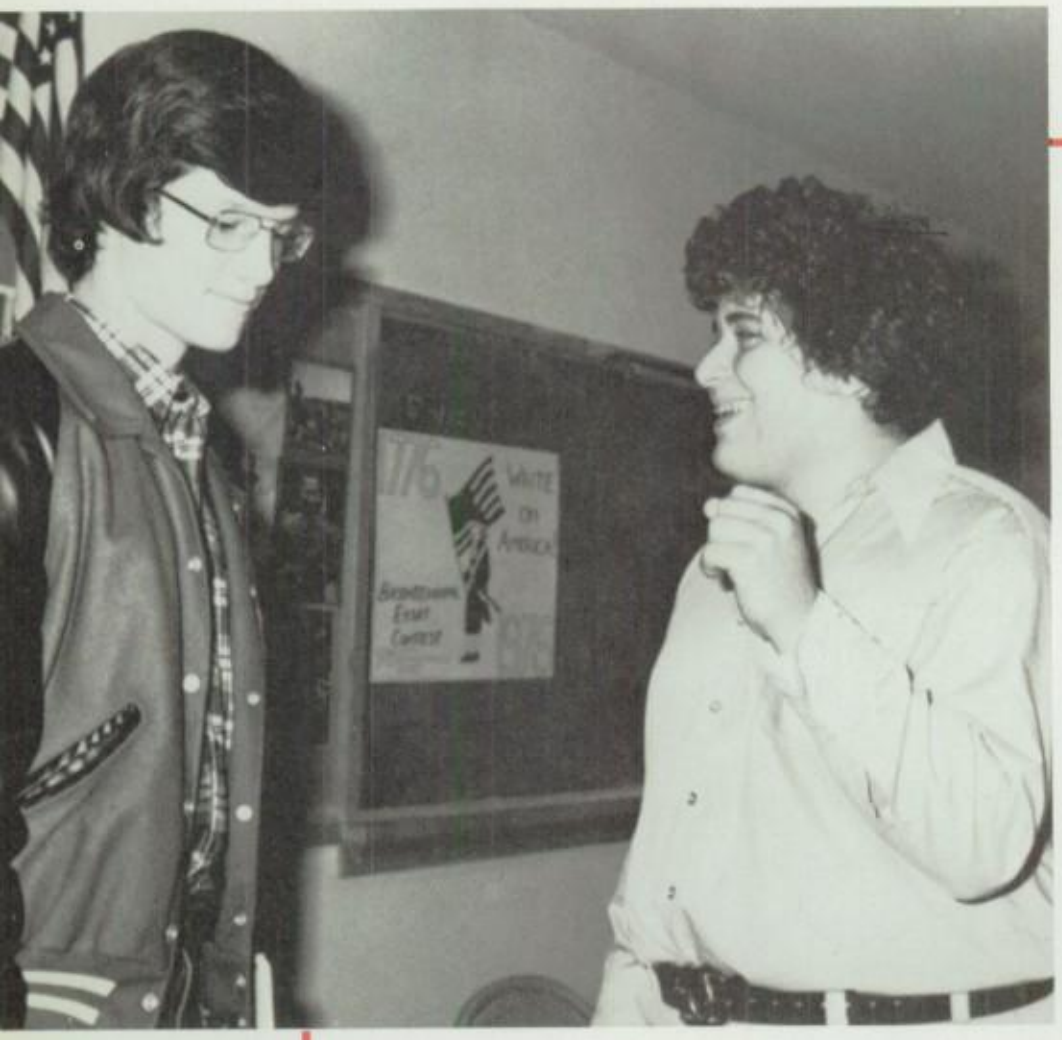
SCHOLARS



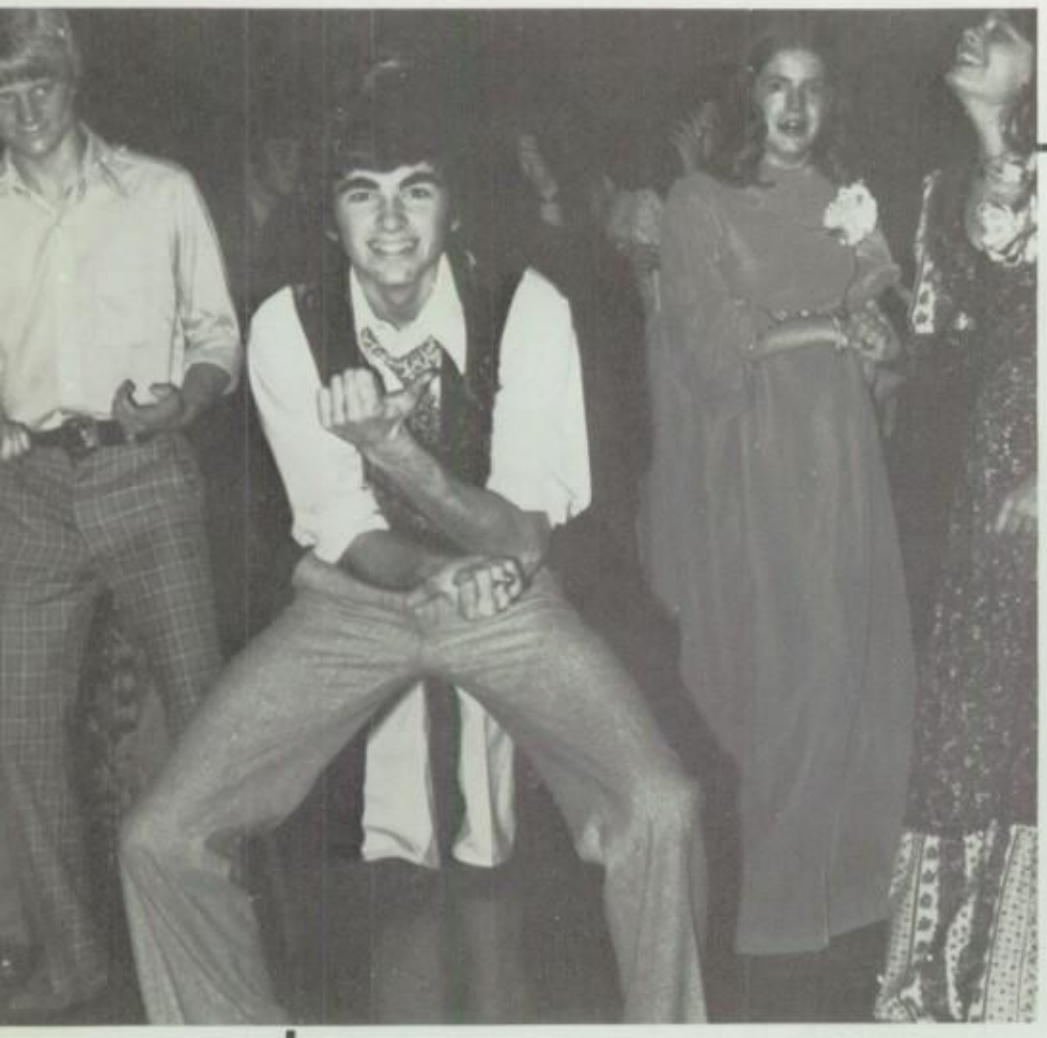
Seniors, juniors and sophomores composed a group of diversified individuals who worked together to make an outstanding student body. Each had their own activities but were united in their spirit and aspirations for the school.

Unsuspecting sophomores were initiated into a program that held more responsibility than their past years in junior high school. They made the adjustment smoothly and soon made a name for themselves with their participation in all school activities. Sophomores provided a great deal of competition for upperclassmen during peprallies. Enthusiasm did not end with peprallies, but was carried through in fundraising projects of bake sales and a marathon dance.

Juniors found themselves in a frustrating position as they had not yet reached the pinnacle of being a senior, but had passed the illusion of being a sophomore. However, this frustration was their incentive to set their goals high and their eyes on the future. The major fundraising project for the junior class was a spicy spaghetti dinner served to many guests before they visited with teachers at the fall Open House.

Seniors of '76 had a year filled with the traditions of being upperclassmen and the expectations of the future. Prom was funded by three years of hard work which was highlighted by the talent displayed in the Senior Show.

SCHOLARS



Customarily the seniors of 1976 proved to be the respected leaders of the student body. Their year was filled with the traditions of being upperclassmen and the expectations of the future.

The school year began with the spirited seniors participating in school activities such as pep rallies, football and basketball games. Upperclassmen attended annual Favorites Ball and Presentation Ball for their last time.

Emotions began to climax with the beginning of senior activities. First they carefully and precisely planned and carried out a tremendously successful Senior Show, "Ease on Down the Road."

The Apparel Mart hosted the glamorous Senior Prom, accompanied by the music of Montage. Outstanding seniors were recognized for their achievements at the annual Awards Assembly.

Dr. Ronald Milton delivered an inspirational message at the solemn Baccalaureate service. The climax of all these activities was commencement exercises. At graduation the '76 seniors named Mr. A. M. Anderson as an honorary graduate of the class in commemeration of his retirement.

After graduation exercises, graduates treked to the Golden Triangle Bowl for their All Night party. Prizes were given at random to lucky seniors. Being here with fellow classmates for the last time would be memories etched always in the scrapbooks of their minds.

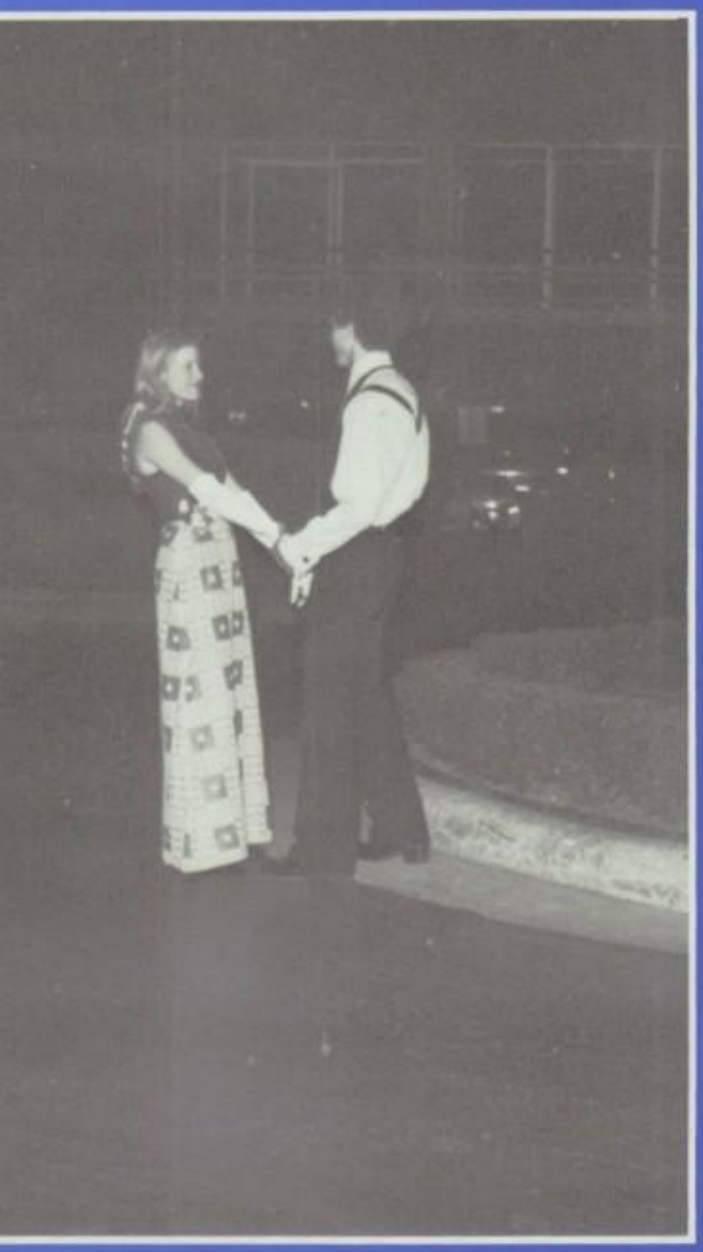
Although memories of the past linger in the minds of all, the future impatiently beckons men to awaken to reality.

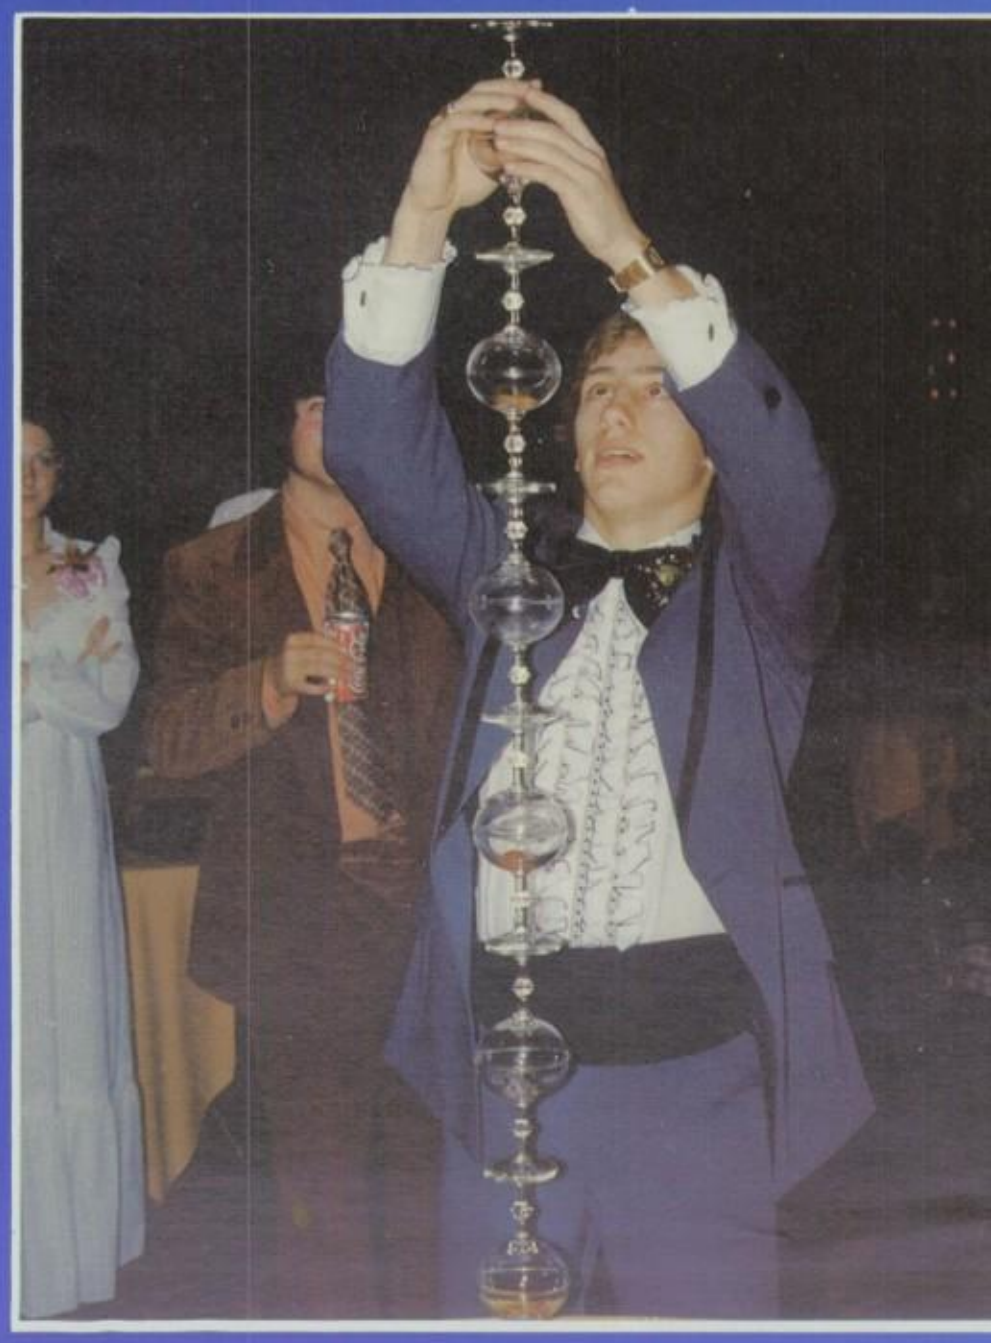
Today's youth will find that the future holds an immense responsibility for each individual. Only through strength and determination will the country remain strong.

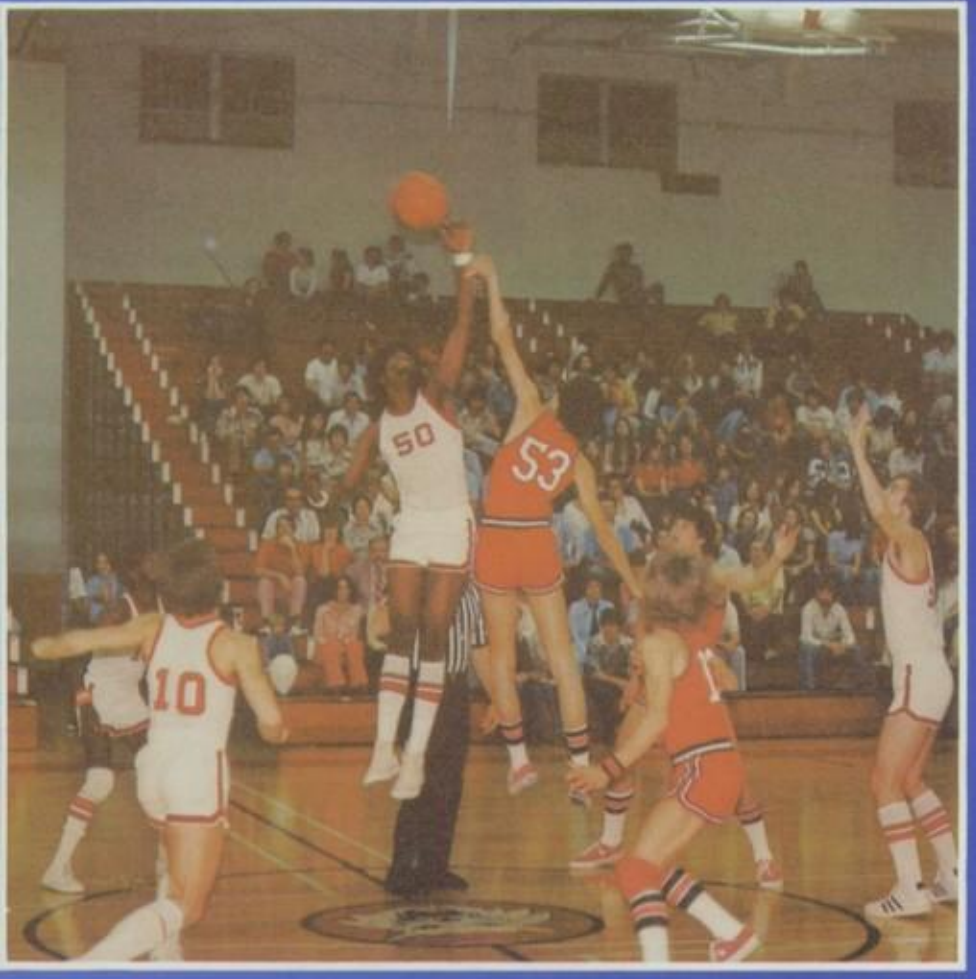
Young people are faced with the challenge of maintaining a high standard of leadership developed over the past 200 years.

As this Bicentennial year nears its end, it does not close the doors of the past, but opens those of the future.

Now is a time to be proud.







"Taking a retrospective view of what has passed, we seem to have been treading upon enchanted ground."

The 1976 WILDCAT staff would like to acknowledge the following people for their gracious help throughout this year.

Our Taylor Publishing representative Mrs. Gloria Weadock for her time and concern; and Mr. Jim Alexander for his artistic ability, also from Taylor.

For their contributions, the staff would like to thank Bob Gennarelli, Barry Smith, Kathy Koons, Lou Ann Myer, Wade Casey and Michelle McLaughlin, all who were from the FANG staff.

Also a special thanks to several photographers:

Frank and Doug Dunlap, for providing the class, faculty and club pictures; Mr. Bob Hurt, for several sports pictures; all of our staff photographers, for the beautiful color pictures; and Zintgraf for the color photo processing.

We also extend a warm thank you to Mrs. Cindi Wynne for her time and knowledge in advising this bicentennial yearbook.
